BIGGEST SAVING EVENT OF THE YEAR

- Woman composed of a combination of two choirs from the Ontario Bible College, presented an evening of sacred music at the Presbyterian Church, Norval, led by Mr. Gast and Mr. Adams.

During the excellent program the well trained choir sang seven or eight selections. They opened with "Come Christians Join to Sing" and closed with "Create In Me A Clean Heart, O Lord". The choir directors sang a duet of "I Waited for the Lord". Other numbers were by a female trio, a; male quartet, and a trumpet solo. They were accompanied on the organ by a young lady from Hong Kong, also at times by the piano, the trumpet and the tamborine. Members of the choir were billeted out in two's for dinner before the service among the Union and Norval congregations.

About 10 teenagers from St. Paul's Anglican Church Sunday School, Norval, with their teacher Mrs. J. F. Booth, visited "The Sister Hood of St. John the Divine" convent at Willowdale on Sunday, January 9th, leaving the church about 2 p.m. and arriving home about 8 p.m. They toured the building and were interested in the church vestments. They attended Evening Prayer there

Norval **School Winter Carnival Coming**

Recent activities at Norval Public School include a trip to Casa Loma, Toronto, by Grades
2, 3, and 4 with their teacher,
Miss Edwards, and other

chaperones. A Christmas concert was held in Norval United Church basement at which all the pupils participated and a good number of parents attended.

Prior to Christmas a staff dinner was held at Mohawk Inn attended by about 10 which in-cluded husbands and wives of the teachers.

There are a few parent volunteers assisting the teachers with various activities with the children several days a week. The hot dog days are con-tinuing every two weeks where the profits from the sale of the hot dogs go towards school trips and the Winter Carnival.

Plans for another Winter Carnival are now underway and the staff are looking for parent volunteers to assist in this project which they hope to hold early in February while there is ice for skating and snow for the

snowmobiles. Mr. Ciglen, principal of the school, and the pupils now have the outdoor skating rink in operation and the children of the community are enjoying skating and hockey as well as learning the responsibility of maintaining the rink which includes flooding and keeping it clear of snow.
