Father, Son Banquet Assured Annual Event

by FRANK BULL
The success of our Father and Son Banquet has, I'm sure, assured us of its continuance as an annual event. These events are usually a fall function timed to permit the presentation of awards, an omission, I feel sure will be corrected in the future. It was our pleasure, however, to present certificates of merit to WO1 L. Grace and WO1 R. Peters. Congratulations are also extended to Cpl's R. Brown and G. Tobin on their promotion to sergeant.

A sincere "Thank You" is extended to our local merchants from the sponsoring committee for the generous assistance provided.

Due to the promotion of cadets Brown and Tobin and subsequent revisions to the Duty Roster we are unable, at time of writing, to name orderly Sergeant and Corporal for the week of February 20-26. Duty Officer for the week is L. F. Bull.

TRAINING
A boy normally joins the Air Cadets when he reaches the age of 13 and may continue to serve until his 19th birthday. Shortly after signing on with a squadron, the new cadet is issued a uniform, taught to wear it with pride and to keep himself looking neat and tidy at all times. He is expected to be on time for parades, to attend regularly and co-operate with his officers and instructors in seeing that the time devoted to air cadets is well and profitably spent.

year, provides for 50 periods of approximately one hour each for instructional purposes. The syllabus includes a small number of mandatory subjects (Drill, Service Familiarization, Citizenship, Leadership) which must be covered by all squadrons. These are supplemented by a wide range of optional subjects chosen by individual squadrons.

Air cadets are supervised during training by adult officers and instructors. Squadron officers are commissioned in a special branch of the Canadian Forces and wear service uniform.

Ability Fund Expects to Reach Goal

The Ability Fund Blitz held January 31, has netted \$1,500 to date with more expected according to campaign chairman Mrs. Vivian Martina.

She said the hoped for goal of \$2,000 would probably be reached when the results of the commercial and industrial campaign were known.

The Ability Fund, formerly known as the March of Dimes, stresses the ability of the handicapped rather than the disability and works to help them realize their own potential. The fund works with anyone from teenage up, as the Crippled Children's Fund covers the younger children.

Mrs. Martina stresses the need for the Fund to be told of anyone needing their assistance and urges anyone knowing of someone who would benefit from either the rehabilitation provided, or special equipment, to call her. She said there are several people in town who have benefited but would like to make sure no one is being overlooked.

Area captains in the residential campaign were Mrs. Marilyn Mason, Mrs. Hazel Gorin, Mrs. Helen Sparks, Mrs. Jeannette Sparling, Mrs. Nancy Hegstrom, Mrs. Ruby Wilkes, Mrs. Alice de Battista, Mrs. Beth Allen, Mrs. Joyce Cailing, Mrs. Em Sargent, Mrs. Marlene Harley, Mrs. Eva Middleton, Mrs. Betty Mackenzie, Mrs. Dorene Long, Mrs. Iris Reeks, Mrs. Donna Deagle, Mrs. Ann Trueman.
