

Even Hamster Got Caught Up in Spirit of Winter Carnival

The Winter Carnival sponsored by Norval Public School on Friday evening February 25 was a very successful evening attended by many from the district as well as the pupils who attend the school.

A large bon fire added to the enjoyment of the evening as cold fingers and toes could be quickly warmed up. The most popular feature again this year was the snowmobile rides around the school yard with the pony rides at the front of the school a close second and many chose skating on the outdoor rink.

Hot dogs and hot drinks were served. For those who needed a better warm up than the bon fire

there were slides in one of the classrooms shown by teacher Mrs. Melnyk.

Even the hamster which is kept at the school caught the carnival spirit and gave birth to seven baby hamsters during the evening much to the delight of the children.

Ross Cunningham was in charge of the bon fire, Mrs. Nora Kaufman was in charge of publicity, Hazen Sherry looked after the snowmobiles, Art Sweezy the pony rides, and Mrs. P. Core, Mrs. Sherry, Mrs. P. Pomeroy, and Mrs. T. Krancendok, the food with Mrs. K. Ewen chairman of the food committee.

Principal Larry Ciglen and the coaching staff appreciated the assistance from the parents in making the evening such a big success.

Boy, those wieners smell good to Barry Harris at the Norval Public School Winter Carnival.

Passengers had just as much fun riding with the "engineer" as in the caboose.

No doubt about the popularity of this ride at the Norval Public School Winter Carnival. The pony's name is Tony, the driver's is Art Sweezy.
