away. "If the standards of road sanding dropped in Esquesing. With spring just around the river having water over the ice some of the people here tonight corner the Credit Valley Con- but no danger of flooding. Mrs. would be most vocal," he servation Authority's volunteer Rollings said that authority field remarked.

He emphasized the road as it is now is adequate for his operation, with any change or improvements not lowering his costs. Later in answer to another question he said the route from river could be problems if the the 5th Line to Highway 7 would weather conditions described add four miles and perhaps 25e a ton to the cost. "There's people Glen Williams, Churchville and on the 5th Line too", he added.

NO-ONE ASKS Otto Regent, owner of the Happy Day Nursery School, where one of the proposed routes passes, asked how he would be compensated. "I come from not expecting undue problems Europe where no-one asks you but the government just tells you they will take your house", he began, only to be interrupted by shouts of "It's the same here" County Engineer Jack Corbett said land purchases are

negotiated on a market value basis. Bob Lawson commended the road committee for giving the people of Limenouse the opportunity of knowing what was proposed and wondered why the people of Stewarttown were not accorded the same courtesy, in

that county road project. Following the meeting Reeve Allan Masson of Oakville, told The Herald he had always felt the village of Limehouse should be left as it is.

Chairman Don McMillan told the group the decision would be made at the next meeting. In
