

# McDonald-Walters Vows In St. John's United

In a double ring ceremony in St. John's United Church, February 19, Lynore Walters and Gordon Alexander McDonald were united in marriage by Rev. Robert Scriven.

The bride, daughter of Mr. and Mrs. J. T. Walters, 86 Weber Drive, was given in marriage by her father. The groom is the son of Mrs. Isabel McDonald, R.R. 2, Acton and the late W. J. McDonald.

John Taylor was organist and Mary Lou Brown, Limehouse, sang the Lord's Prayer, Wedding Prayer and O Perfect Love.

The bride's gown, ligoda, was A-line style with empire waist and enclosed train. It was appliqued with chantilly lace motifs. She wore a mantilla of illusion, outlined with chantilly lace and carried a cascade of wine coloured rosebuds with baby's breath.

Suzanne Beaume was maid of honour, Linda Perry and Peggy Storey, bridesmaids, and Karen Elliott, flower girl. They wore floor length gowns, with deep purple velvet bodices, and

mauve chiffon over taffeta skirts, white fur caps and muffs and mauve rosebuds in their hair. Corsages of mauve tinted carnations were attached to the muffs.

Vern Denny was groomsman; Ray Denny and Ted Brown were ushers.

Receiving afterwards in St. Alban's parish hall, Glen Williams, the bride's mother wore a floor length gown of pale green chiffon over taffeta with dark green velvet bodice and a pale green orchid corsage. The groom's mother wore a blue crepe floor length gown, with silver trimmed chiffon sleeves and a pink orchid corsage.

Travelling to the Pocono Mountains, Pennsylvania for their honeymoon, the bride wore a navy blue pant suit with white trim, and corsage of pink sweetheart roses.

Mr. and Mrs. McDonald are living in Brampton, where the groom is employed with M&P Tool Products Ltd. and the bride is a R.N.A. at Peel Memorial Hospital.

The bride was teted at a linen shower by Miss Suzanne Reaume at her home, 6 Hale Drive. Misses Mary Lou Brown, R.R. 1, Limehouse and Linda Perry, Acton were hosts for a miscellaneous shower. And Mrs. K. Hodgson, Brampton and Mrs. Liz Narde, Terra Cotta, also entertained at a miscellaneous shower.

# Will Restore Kilns As Part of Limehouse Conservation Project

The old lime kilns in the 176 acre Limehouse Conservation area on the 5th line will be restored to operating condition as part of the Credit Valley Conservation Authority's over-all long range plan for its development. It is hoped this could become part of an education centre.

The dam will also be rebuilt both as a water source and a home for wild-life, but not as a swimming pond. There will be no swimming in this area. Picnicking, overnight camping and hiking are the suggested recreations aspects, with walking trails to be cut through the bush.

The Authority is also con-

sidering establishing a mini-walking trail from Georgetown to Acton along the old radial right of way.

**HARDWOOD BUSH**  
The preservation of this beautiful natural location with one of the few large stands of hardwood timber left in Southern Ontario, is the main aim of the Authority.

The area will not be open to the public at all this year, as work will be in progress, cutting weeds, building a road, and a parking lot. Some of the large area will have to be fenced, a hard job where the land is mostly rock.

The Authority has also been acquiring land in the Silvercreek area, around lots 27 and 28 Cons. 9 and 10, as part of the overall purpose of acquiring Niagara Escarpment land from Burlington to Tobermory.
