

Rugger action in Georgetown Park, Sunday, produced a 6-6 tie.

## Beavers Battle York To 6-6 Rugger Draw

Beavers tied York County 6 to 6 on a very warm afternoon in Georgetown Park, Sunday.

In contrast with the Kitchener game of a week before, Beavers had a good margin in the territorial play, and the half line played better in the latter part of the game and produced a strong finish.

Bo Wisser scored all the Beaver points on two penalty kicks, while the York County full-back scored all their points on two good drop kicks from well out, and he also made several other long kicks for touch.

The Beaver forwards played their finest game yet this season winning most of the set and loose scrums. The training sessions directed by Charlie Reed are starting to pay off, particularly in the play of the forwards and to a lesser degree in that of the backs. By the end of the spring season Beavers should be a very difficult team to beat.
