# Last Minute Single Point Knocks Rebs from Playoffs

A single in the final 20 seconds by punter Geoff Lubert provided the margin of victory yesterday as Oakville-Trafalgar High School senior football Red Devils gained a narrow 8-7 victory over Georgetown Rebels in East Halton. High School sudden death semi-final action at Wallace Park.

But Lubert's punt was not ordinary. Kicking from the Georgetown 30-yard line the OTHS punter could have easily booted the ball out of the park but a ruling made before the game put even more pressure on the OTHS punting team.

Because of the shortened end zones at Wallace Park (each end zone is approximately 10 to 15 yards in depth as compared to the normal 25) a ruling that singles could only be scored if the ball bounced in the end zone or naturally if the receiver was trapped behind his own goal line.

**RULED DEAD**  
Lubert's punt was a low, end over end ball, bouncing on the five-yard line before rolling past Georgetown punter Tony Pacheco to the fence eliminating any chance Pacheco had of returning the ball. The play was ruled dead and a point awarded to OTHS once the ball touched the fence at the back end of the end zone.

The OTHS winning single provided excitement and anxiety for fans and players alike but the last minute heroes would not have been possible had it not been for a unique Georgetown single toward the end of the second quarter tying the game at 7-7.

**RETURN KICK**  
Georgetown's Colin Fraser was sent in for a field goal attempt in the final minute of the first half. His try went wide and was subsequently punted back onto the playing surface by an OTHS returner. Rebel quarterback Randy Pope fielded the OTHS punt at mid-field and returned the favor punting the ball into the OTHS end zone for a single.

**Fobert Realtors 3**

The Realtors took a close game from the Transport crew 3-2. Fobert came out like a house afire but only managed to put one goal behind the Burns goalie. Marty Weaven scored from Doug Barnes.
