**Georgetown Legion Band In Grey Cup Procession**

Their latest achievement is to represent the province in the Grey Cup Parade. Branch 120 Pipes and the 48th Highlanders Pipes will combine to form a mass band which is sponsored by the province for the big Grey Cup day. We believe this must be a climax to their many achievements and successes, they have attained the admiration of all branch members through skill and dogged perseverance. Now they are obtaining a position of eminence, noteworthy, and successful they are proving beyond a doubt their mastery of the Pipes and Drums, and in so doing, are helping to create a public image for Branch 120.

on Scotland, the decorations were created by Ron Lincoln. Chile Con Carne, one of Bruce Collin's specialties, was served during intermission. It must have been well received for the pots were empty in no time. Bruce proudly claimed that many came back for thirds. We wonder, why not Haggis?

**GREY CUP**  
How far will the Branch Pipe Band go in their steady rise to success?

McArthur, P. Comer, H. Cumpsty, G. Hamilton and H. Hawes.

**TURKEY SHOOT**  
Still on darts the local Santa Claus parade will be held on Saturday December 9. At the same time turkeys will be won right and left, at Branch 120 where the Georgetown Industrial darts will be holding their annual turkey dart shoot. Sunday, December 17, will see Branch 120 as host to the Zone B7 Curling. This was scheduled to take place at Port Credit, but the local Branch was unable to obtain ice. However, Branch 120 will do a good job on this occasion, as has happened in the past. Would be rinks should get their names in at the Branch if they wish to participate in this event.

**SCOT'S NITE**  
Saturday night's dance, which was organized by the members of Branch 120's Pipe Band, was well understood, a financial success. The Woodland combo supplied the music, except for the occasion when Scotch music was called for, then the Pipers took over. The room was well decorated for this event with the emphasis

**Hikers Say Bruce Trail Should Be "Beer Trail"**

Members of the 3rd Bendale Venturer Company from Scarborough knew the Bruce Trail in winter presents some pretty tough challenges but they didn't figure one of them would be how to bring back nearly 100 beer bottles they found littering the way. Venturer Doug Ruggles said the bottles were picked up recently on the group's second outing on the trail. Ruggles said the hikers were surprised and dismayed at finding the litter, "but I'll tell you, the trail is still a heck of a lot cleaner than some parts of Algonquin Park where it's getting to look like a dump."

**SEVEN MORE**  
Last weekend, the group took on the 21-mile trek from Cataract to Georgetown and managed to pick up seven more beer bottles. "I'm certain we would have found more if it hadn't snowed during the week and covered them up", said Al McMaster, who leads the company. McMaster said the group plans to complete the 429-mile Bruce Trail trek from Niagara to Tobermory in the Bruce Peninsula by the end of 1973 doing it in sections during weekends.

**OTHER LITTER**  
He said the venturers will earn a badge for completing the rugged hike. "but our real reason is because there might not be a Bruce Trail 20 years from now. There is other litter along the trail, besides the bottles, but it's certainly not as bad as it could be", Ruggles said.
