Heppes' Hat Trick Puts **Norval Close**

North Halton Cougars had to come from behind to gain a tie with Mac's Milk, Sunday, and the single point allowed them to retain sole possession of first place in the Georgetown Industrial Hockey League.

In the best contest of the campaign to date Mac's Milk took a 1-0 lead in the first period and North Halton's equalizer in the second period completed of the machine. the scoring.

Bob Harrison from Keith Bennett and John Parks accounted for the milkmen's marker. North Halton got even on Lance Doucette's goal from Dwayne Hay and John Quackenbush.

It was the second tie of the season for Cougars who now have three wins, a loss, and two ties for eight points.

Norval moved onto the heels of the Cougars with seven points on three wins, two losses and a tie, when they took Glen Williams 5.2 in the league's other Sunday game.

Benny Heppes was the game's offensive standout. He led the Norval charge with three goals, white Bob Monckton and Wayne Reld got the other Norval tallies.

Glen Williams led briefly when Bill Butcher put them in front 1-0. Butcher also scored the second Glen goal in the third period

This Sunday, Norval is pitted against Mac's Milk, and the Glen plays North Halton.

Students Experiment With ARP Synthesizer

Students at Sheridan College will get an earful of synthesized sounds this week - a total revolution in music.

An ARP synthesizer, the electronic instrument capable of producing the sounds of any musical instrument and creating entirely new musical sounds, is on loan to the college for a one week workshop which started Monday.

Organizers for the workshop John Hubert and Richard Goulet, both media arts students, needed a synthesizer to complete their film project. They decided to hold a demonstration and workshop on the ARP synthesizer so al the students interested in sound techniques could gain insight into the works and application
