Guelph Street Property Could Be Park Entrance

The town may acquire one third of an acre on Guelph Street, below the Anglican Church, through the combined efforts of the Credit Valley Authority and the town. The property owned by G. Kviet is considered valley land by the Authority.

Cr. Phil Siddall said at Georgetown council meeting, Thursday, he had been told that the Authority had three appraisals done on the land and had set the price at \$12,000. He said he was concerned about acquiring places in the valley for a parkway. "This piece fronts on Guelph Street and could be an entrance", he added.

Siddall explained that the province pays 50 percent, the benefiting municipality 45 percent, and the Authority 5 percent. The town's share would be \$5,400, if the offer is accepted. Reeve Ric Morrow urged the amount be set aside for this purpose, and council agreed.

Norval Listening to CHUM Worth \$1,000 to Mrs. A. Sweezie

There is great excitement in the Art Sweezie home these days as Mrs. Sweezie won \$1,000 on the "I Listen to CHUM" contest. Sunday evening January 14 about 8:45. To be a winner you must answer your phone with "I listen to CHUM" in place of saying hello.

Usually little two year old Ginny answers the phone with "My listen to Chum" but this time Mrs. Sweezie answered. When she was told that she was a winner she couldn't believe it. She was sure that it was some of the members of the Scuba Diving Club that her husband belongs to playing a trick on her.

She really didn't believe her good luck until she heard the recording of the conversation played over the CHUM station a few minutes later then she realized that it wasn't just a joke. Mr. and Mrs. Sweezie, their seven year old twin boys, Bobby and Michael, and two year old Ginny, live on the Town Line north of the village. Mr. Sweezie is employed at the American Sterilizer Company of Brampton and Mrs. Sweezie works part time at Fashion Trends in Georgetown.

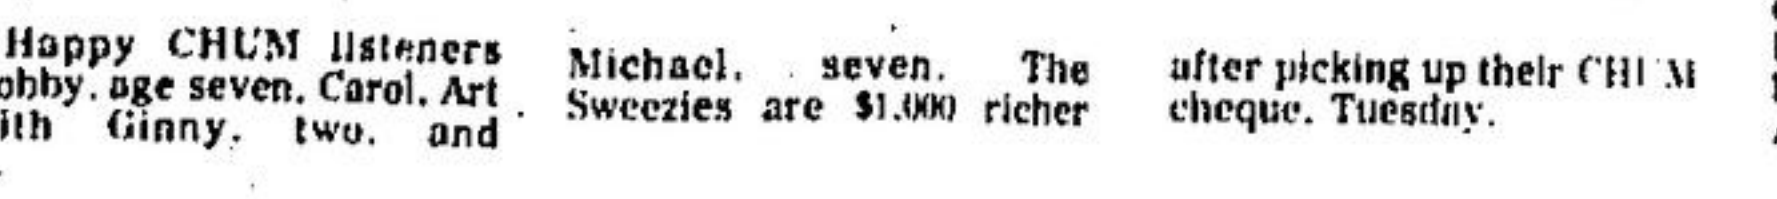

Many residents in the district were saddened to hear of the death of Mrs. Elsie Collis of Brampton who died in Peel Memorial Hospital on Sunday January 14. Mrs. Collis helped start the Cub pack in Norval in 1948 and assisted for several years. Later when the pack found themselves without a leader she took over again and was Akela for a few more years. For many years she was either the leader or assisting and training someone else to take over the pack.

Mrs. Collis started many packs in Brampton and the surrounding district and was honored a few years ago by being presented with the "Silver Acorn" award by Governor General Vanier for outstanding contribution to the Scouting movement in Canada. She worked as night supervisor at the Bell Canada office in Brampton for many years until she retired. Although she has not been active in the Cubs for the last few years due to poor health she remained interested in their activities and had fond memories of her years spent with the Norval Cubs.

Union Presbyterian Church W.M.S. held their first meeting of the year on Wednesday afternoon January 10 at the home of Mrs. Eric Leslie. Mrs. C. G. Bishop installed the new officers for the year, president, Mrs. Art VonZuben; secretary, Mrs. Jack McDonald; and treasurer, Mrs. Eric Leslie.

Mrs. Wilson gave a short devotional after which plans were made for a cook book and recipes discussed and other projects for the year were discussed. It was decided to carry on the monthly donations to the School for the Deaf at Milton to assist a teenager with the purchase of batteries for her hearing aid. Lunch for the church annual meeting to be held following church on Sunday January 28 was planned and other business dealt with. After the meeting a social time was enjoyed.
