**Poor Turnout, Try Again for Meeting**

The annual meeting of the Ballinfad Community Centre was called for Sunday afternoon. There is little to report as not enough people were there to have the meeting. Members of the board will meet to decide what action to take to get the residents of the community interested enough to come out to this annual meeting which will be announced again in the near future. Let the ball board know that you appreciate having a Community Centre here by your presence.

have been quite ill, but are all feeling much better.

We are sorry to hear Mr. Edwin Perryman is a patient in Guelph General Hospital.

Keep in mind the annual Congregational meeting will be held after the Worship Service at the Ballinfad United Church this coming Sunday. All members of the congregation are invited to stay. Lunch will be served in the basement.

**Use Tennis, Ball Lights for Rink**

Georgetown Recreation Committee is making use of two existing sets of sports lights to provide skaters with extended hours this season. Lights on the Gibbons Park tennis courts were turned on for night skating there last week, and the new ball diamond lighting system at the fairgrounds were switched on Monday night.

The Gibbons Park lights operate on an automatic timer, but a member of the town work's department has to switch the fairgrounds lights on and off.

Quite a bit of interest has been aroused in the community which called the local residents to turn to the quiz show "Eye Be!" on Channel 9 at 12 noon. The family of Mr. and Mrs. Tom Given were down to Toronto to audition for the taping sessions. Daughter June has already appeared. Kathy and other members of the family appear in the near future. All were lucky enough to win prizes.

Several families in the community are laid up with the flu. Mr. and Mrs. Garnet Sinclair and family are recovering and some of the Snow family

**ON THE BEAM**

Mrs. Pauline Miller helps little Ashley Miller keep her balance on a balance beam at the new toddlers' gymnastic program which got

under way last week. The pre-schoolers go through their gym routine every Thursday morning in the Rose Room.

Toddlers (walking to three years of age) and Tiny Tots (three to five) have the Memorial Arena Rose Room Thursday mornings for their new gymnastics program. This is Carol Fros enjoying a

work out on the sloping plank at the first 'Toddlers' session Thursday morning. The programs are sponsored by the Y which is marking Y week this week.
