

Saturday is Deadline for Snowmobile Sponsor Sheets

BY SMR
Regarding Snow-Brrr-Fest Safety Rally here's a reminder to all managers, coaches and players: Sponsor sheets from players must be turned in Saturday, February 3 to commissioners along with the name of person running a machine representing your team.

It should be drawn to the attention of those people who fail to work and support these fund raising campaigns, that Minor Hockey can only survive if everyone chips in and helps out and this year's program is the easiest yet. A tally will be kept of the boys who have made honest efforts to help make this a success.

If rates must be raised next year or over-crowding occurs such as this year, then these players will be taken into consideration first as well as a possibility of exemption from paying higher rates. Minor hockey is a voluntary organization from the executive down to the timekeepers. None of these workers receive any money for their efforts. Many of our older players are helping out in the rally. So let's get behind this rally and really make it a resounding fun and financial success.

Hockey resumes this Saturday at the arena with the Jr. A League drawing the early time slot.

Schedule for Sat. February 3
