50 Degrees and Slushy Snow But Snowmobile Rally Runs

BY SMR
We did it! We did it! Yes, we actually did it! We ran the Snowmobile Safety Rally. And we like to call all those beautiful people our Mansfield Maniacs.

With a band of die-hard hockey and snowmobile enthusiasts, we travelled to Mansfield Snowmobile Resort, Sunday, to run the rally.

With the weather holding and four inches of packed snow that later turned slushy, the men and women ran the bush and hill country till everything ached. Under cloudy skies and 50 degree weather the machines ran hot causing a few minor breakdowns but only one machine had to be towed over the finish line.

Several of our senior league players acted as spotters and point check men. Sponsor pledge sheets will be given back to the hockey players for collection when hockey resumes this Saturday, so please be prepared for the knock on the door. We got the rally off the ground and onto the snow. Please help us keep the boys on the ice.

Rally winners will be announced when their sheets are all marked for the points system and trophies awarded. Our 4-Town teams didn't live up to our expectations in Newmarket. The Midgets and PeeWees started real strong in their first games but lost their bounce in the second round and were eliminated. The Novices lost two very close games and the Bantams just never got rolling, going down to two straight defeats.

2ND ROUND
Friday, March 23rd

Lindsay 3
Acadian Pools 1
The puck just refused to bounce for Georgetown despite a good performance by the PeeWees and they were eliminated from the championship series. Lindsay scored two quick goals in the first period and Georgetown got one a minute later. Greg Abbott and Steve Cropper set up Paul Morrow from behind the net.

The game remained extremely close with both sides playing good hockey. Lindsay scored on a breakaway in the final frame to put the game away.

Coburg 1
Hamco Excavating 0
The Bantams came back from their drubbing of the day before and came close to pulling it out. The difference in the teams was the lone goal Coburg managed to score halfway through the game. This eliminated the Bantams from the consolation round.

Coburg 1
Mac's Milk 0
The novices lost another close game and also were eliminated from the consolation series. Coburg got their marker in the first period and made it stand up for the win.

Lindsay 4
Noseworthy Const. 3
The midgets had built a 2-0 lead in the first two periods before Lindsay caught them making mistakes and pumped in four goals in the third period. Bill Bradley sent Brad Edgar on a breakaway in the first period for a goal. Ian Syme scored from the faceoff unassisted on a power play in the second period. Lindsay caught the defense napping and scored their first two goals and deflected a slapshot from the point for the go-ahead marker. Georgetown pulled their goalie late in the game and Lindsay put another in the open net. Georgetown got their final tally with 2 seconds left in the game. Ian Syme from Ken Ross and Bill Bradley with their net still open. This eliminated the midgets from the championship round.

Orillia 1
Mac's Milk 1
Georgetown novices came out skating and shooting and pumped in two quick goals. Danny Reynolds from Gary Stockfish, then Chuck Moffat unassisted on a power play. Then they started to coast and Orillia came back with four goals. They got one late in the first, two in the second and one in the final frame. Georgetown got their final tally with 58 seconds to play. Bob McClure and Moffat setting up Derek Ferguson in the slot.

Acadian Pools 7
Orillia 0
The Pee Wees outthrust, outskated, outshot and generally ran over the Orillia team on a fine team showing. Carl Bell set up Dave Townsend early in the game to get the ball rolling. Steve Allworth connected from Gary Thompson on a power play goal late to end the period. The Orillia defense put one in their own net to start the second frame, the goal going to Carl Bell. Jamie Hansen set up Ian Rannachan on a passout from behind the net for the fourth marker. Georgetown got three more in the last period. Scott Turner unassisted from the faceoff, then Turner set up Hansen and finally Townsend bounced the puck off the boards to Allworth who went through the Orillia team to score. Dave Broothead earned the shutout in the nets.
