

Games Nightly So Tourney Style Playoffs Start Saturday

BY SMR

The last scheduled game of the season was moved forward to this week, with games being played each night to complete regular season play. The playoffs will start on Saturday, April 21 this year being set up in tournament style, the top six teams in each league entering the "A" championship round with the bottom six teams competing in the "B" championship round. The senior league will also participate, their six teams all in the one tournament round.

All teams will play the first round, two games, total goals, with winners advancing to semi-finals. The team who stands highest in league standings in regular season play still remaining in playoffs at this point will receive a bye to the finals. The two remaining teams will play off to meet this team in the final game on Sunday, April 29. All games after the first round will be sudden death games.

Final five minutes of each game will be stop time to eliminate the controversial change rule in the final two minutes used all season. In case of ties, a sudden death 10 minute overtime will be played. If game goes the full 10 minutes without either team scoring, then three players from each team will have a penalty shot (style) to decide a winner.

The 4-Town Novices had their draw take place after their game last Saturday and the winner of \$50.00 was Mr. Steve Brunt, Rosefield Dr., Georgetown.

RALLY CHAMP
Also last Saturday night, the results of our Snow-Brrr-Fest Snowmobile Safety Rally were announced at the Snowmobile's Club Dance and trophies and prizes awarded. The grand champion was Thelma Mackey with the lowest total of penalty points. Congratulations, Thelma, well done. 1st prize in the men's division went to Bill Robbins, 2nd prize to Vern Gunby and third prize was a tie going to Bill Hamilton and Terry Richmond.

1st prize in the ladies division went to Sheila Hill and 2nd prize to Mary-Lou Gibson. Rally money is still coming in and players with pledges are asked to please turn them in quickly. There will be somebody in the equipment room at all times.

Results of sponsor pledges are encouraging, a final tally can only be made when all pledges are in.
