

## Raiders Bask in Glory

Special recognition awards were presented to a number of members of the Georgetown Raider Hockey Club when the club celebrated its recent Ontario Intermediate A

championship with a banquet in the Legion Branch 120 auditorium Saturday night. Singled out for their beyond-the-call contributions were,

from left, coach Gerry Inglis, manager Bud James, president Wilf Brownlow, and general manager Peter Pomeroy.

With the Raiders' 1972-73 "spoils" is Huss Robertson of the sponsoring North Halton Motor Sales. The big cup is

the John Huss Robertson Cup, awarded annually to the Ontario Intermediate A champions, and the trophy is

the Pat Patterson Trophy, emblematic of the Niagara District League title

Georgetown Raiders' 1972-73 Most Valuable Player, Bill Currie, is flanked by Raider goalies Wayne Sobol, left, and Keith Pallett whose

combined netminding produced the Niagara District Intermediate A Hockey League's lowest goals against average this

season. Raiders dined and danced in the Legion auditorium Saturday night to mark their second consecutive championship year.

### UP GOES SALMON POPULATION

The population of Coho Salmon in the Credit has risen sharply over the past few weeks due to a stocking

project of the Department of the Environment. Here, two department fieldmen dump

fingerlings into the river downstream from Georgetown.
