Parents' Lacrosse Course Started
Parents of Maple Nursery School have arranged a course in Parent Effectiveness Training which began Tuesday. It is being conducted by Mrs. D. Holhouse from the Toronto Association of Individual Psychology.
The three-hour long sessions will continue for eight weeks at Cedarvale Community Centre. The course has been limited to 20 persons.
A Maple Nursery School spokesman, Mrs. M. H. MacLeod, told The Herald another session is planned for the fall.

A combined programme to attract volunteer blood donors and to promote interest in Lacrosse throughout Ontario is being conducted by Red Cross and the Ontario Lacrosse Association.
A "free" admission ticket to any Ontario Lacrosse game is being provided by the Lacrosse Association for each donor who attends a blood donor clinic from April 30 to July 25. It is estimated that 80,000 tickets will be distributed. Dates and times of local blood donor clinics will also be included in Lacrosse Association member team advertising.
