**Return Annually to Park Where Wedding Conducted**

On May 8, 1971, Anthony Bauer of Toronto and Valerie Wint of Jamaica, students at York University, were married by one of his professors, Rev. Herbert Brethaupt, at an open-air ceremony on the Conservation property near the former Gowdy house. A picnic was held as a reception. Each spring they visit the Conservation area about the time of their anniversary, this year hitch-hiking there with little daughter Anna.

We are sorry that Mrs. Ralph Turner is suffering a lot of pain from a broken elbow, the result of a fall. We hope she may have a complete recovery.

Mrs. Gordon Booth represented Halton County Women's Institutes at the officers' conference at Waterloo University May 1, 2 and 3. Some 700 attended.

Mrs. Kirkpatrick was a guest at the 25th wedding anniversary party for Mr. and Mrs. John Foster of Head Lake. The event was arranged by their daughter Diane, Mrs. Barry Smith and her husband at her home at Newmarket. Congratulations Johnny and Margaret.

Three new boys have recently joined the 1st Limehouse pack—David Willis, Kelvin Eastwood and Mark Van Alphen. At a recent meeting, Scouter Murray Harrison from Acton brought his coin collection to show the boys. He discussed coin collecting with them and gave each boy a coin to begin his own collection.

with them and gave each boy a coin to begin his own collection. Last Saturday, 15 Cubs and their leaders drove up to Silver Creek Conservation area where they took part in the "Trees for Canada" program. It was a beautiful, sunny day, just right for planting trees and each boy had his 100 trees planted before noon.

They then drove back to Steve Thompson's place where they ate their lunches they brought from home and then they changed into clean clothes and drove to Brampton to attend the Shrine Circus. Everyone enjoyed it and they arrived home happy in time for supper. One of the fathers, Ron Anderson, helped that day.
