

## Peewee 'A' Baseball Reps Drop Match to Oakville

Wednesday in Oakville, the peewee 'A' baseball reps dropped their only game of the week, 3-2. In a well pitched game, Kevin Paynter held Oakville to four hits with seven strikeouts.

The Oakville pitcher held the Georgetown Team to only three hits.

The score was an indication of the improvement of the Georgetown boys because Oakville is on top in the peewee league. On the offensive side, the only two ball players who managed hits were Ron Stungia, going 1-3 and Gregg Abbott who had a perfect night hitting 2-2.

Some of the batting averages for the team are as follows: Dave Townsend .333; Greg Abbott .500.

The peewees' next home game is Thursday.

The following is the remainder of the peewee schedule:

July 5, Brampton at Georgetown; July 10, Georgetown at Waterdown; July 12, Streetsville at Georgetown; July 18, Georgetown at Oakville; July 19, Burlington at Georgetown; July 22, Georgetown at Milton; July 28, Streetsville at Georgetown; August 2, Georgetown at Waterdown; August 7, Georgetown at Waterdown; August 9, Oakville at Georgetown.

Playoffs begin August 18 and Brampton tournament is August 3, 4, 5 and 6.

The Armbro Tykes also had a bad week when they lost to front running Dundas 11-5. In this game, one of Georgetown's poorest efforts of the year, the

team had only the hitting of Mike Hartley going for it. With a 2-3 night, both doubles Mike accounted for three of the team's five runs.

The second inning proved the home club's downfall when Dundas batted around the order once. The Dundas team combined only two hits with three hit batters and a walk to score five runs. After this game was completed it brought the tyke record to five wins, four losses and a tie.

Some tyke batting averages after 10 league games are as follows: Danny Reynolds .583; Mike Hartley .562; Glenn Cunningham .312; Gary Stockfish .250.

The next tyke games are both away, this week, in Waterdown and Burlington.

The weekend of the sixth and seventh sees the tykes in East York for their next tournament.
