

LIMEHOUSE

School Volunteer Helpers Are Entertained by Staff

Sorry, if we wrongly reported the results of the pupil-teacher baseball game. Last week the pupils said they won. This week the teachers feel "deflated" as they had won. There were no students at school, but the teachers spent two days in school at M.M. Robinson, and the remainder in Limehouse school last week.

On Thursday the staff entertained the volunteer helpers within the classrooms the past year at a luncheon. There were near 30 in all there. Thursday evening, rain or shine, the staff attended a barbecue party in Georgetown hosted by Mrs. Larry Scott, a staff member and her husband.

The royal train passed through Limehouse on Thursday morning at 9:15 a.m. A large number of persons had waited at the track side since 8 a.m.

Congratulations to all those who passed in the various schools during the year, especially Laura Stevens, who was second highest in academic standing and won a special award in geography at Stewarttown Senior Public School.

Prior to his leaving as school caretaker the pupils presented Colin MacCall with lawn furniture and a rain coat. Before disbanding on Friday the staff visited Mr. MacCall at his home to give him a gift—a carved wooden lamp, in appreciation for his co-operation over the years with them.

Mr. and Mrs. A.C. Patterson visited Mr. and Mrs. William Henry and family in Midland during the weekend. Their grandson Todd Michael was baptized in Knox Church there on Sun.

Miss Helen Mills attended a reunion of her airforce unit at Windsor during the weekend.

Mrs. S. Wright of Newmarket, her sister Mrs. Walker of Sarnia, and Miss Shirley Wright of Toronto called on a number of friends in Limehouse, Sunday.

About 45 persons were

present for the final gathering of the Brownies and mothers in Limehouse Memorial Hall, June 28. They enjoyed a buffet supper, and graduating Brownies received an owl mounted with their accumulated badges.

The cubs ended their year with a busy weekend. Saturday they held a Canada Fitness day up at the school. Eighteen boys took part with each one qualifying for at least a bronze crest. Bart Byers was fit enough to win the gold. The boys were treated to hot dogs, soft drinks and cookies after. Wayne Anderson was presented with his troubadour, handyman and athlete badges.

The June meeting of the UCW was held at the home of Mrs. Emmerson Clarke. The president, Mrs. Norman Sinclair, presided for a short business period discussing the future, bus trip and summer activities as there will be no meetings of the UCW until September. Mrs. Ruby Pinkerton gave the devotional and Mrs. Doreen Larose was in charge of the topic. She arranged for Miss Forsythe of the Wellington County Children's Aid Society to be there. She spoke about the origin and establishment of the

organization and of its work. Twenty dollars was donated at

(Winifred Smith)

Friends and acquaintances were saddened to hear of the death of Mrs. Clarence Carey over the weekend. Mrs. Carey was the former Alice Isley and spent a number of years on the eighth line near Ballinafad, where her parents farmed.

Mrs. Mervin White met with an accident at her home last week. She slipped and fell down several basement steps. The result was a fractured elbow. She was hospitalized for a few days but was able to return to her home on Monday.
