17 Crashes Are Costly

Officers from Milton detachment of the Ontario Provincial Police investigated 68 general occurrences during the week of June 17 to 25. Included in this number were two thefts, one break and enter, one disturbance, two complaints of trespass, one assault, one impaired driving charged, eight liquor charges, one threatening complaint, three domestic disputes, one willful damage and two dangerous driving complaints. The remaining occurrences were minor in nature and required little time to clear.

Seventeen motor vehicle collisions were investigated during the period, involving 25 vehicles. Total property damage was estimated at \$22,653. Eighteen persons were injured in 10 of these collisions and one person was killed. Eleven drivers involved have been summoned to appear in provincial court at Milton. Causes of these collisions have been attributed to: careless driving, loss of control, following too close and impaired driving.

Constable J.H.L. Redpath, safety and information officer spoke to students at Brookville Public School, Campbellville and Norval Public School about safety. He also conducted a bicycle rodeo for 50 students of Norval Public School.

32 Pupils Take Trip

BY MISS D. McMURDY
Pupil of Stewarttown Senior Public School

At 6 a.m. the Stewarttown Senior Public School honor roll trip commenced. It was May 31 at last and the Travelways bus loaded with 32 excited pupils left for a three-day trip to Ottawa.

Accommodations were the empty residences of Carleton University. The next few days' events included a tour of Ottawa and Hull, Canadian Mint, National Arts Centre, an art gallery and a visit to the Sparks Street Mall.

The highlights of both days were considered by most to be the parliament visits. Senate and House of Commons meetings were attended. At the Commons sitting, everyone thrilled to hear and watch Prime Minister Trudeau. Following the session, everyone literally fell into bed.

On June 2 the chaperons, Miss J. Wisbart (a Scottish exchange teacher), D. Lawrence, and Mrs. T. Baines, a parent volunteer, woke everyone early. It was packing, breakfast and onto the bus.

After a visit to Ottawa's Science Centre it was off to Kingston for a tour of Old Fort Henry. From Kingston it was straight back to Stewarttown. Principal, J. Reed and several parents were there to greet the exhausted travellers, and to turn a trite phrase — a good time was had by all.
