

### THE DISTRICT AT A GLANCE

**ERIN**—Plans for a new subdivision to be built on the east side of Erin Gardens were revealed at this month's Erin township council meeting. The subdivision, to be built by Flamingo Homes, will border and cover an area east of Erin village. The streets of this new development would connect with the existing streets in Erin Gardens. The plans call for 66 houses to be built on 9,500 to 10,000 square foot lots, with approximately 75 feet of frontage. Council filed the plans which were shown as a gesture of courtesy. The Community Planning Branch of the Ontario government will have to approve the plans before construction can begin.

**ACTON**—Six employees from a town works force of 11 handed in resignations last week carrying out a move they threatened several weeks ago. The men have a total of 64 years with the town. Sam Tennant, 22 years; John Van den Brink, 18 years; Don Swackhammer and John Dunn, with 10 years each; Larry Prizzell with four years, and Ernie Medland, a new employee walked off the job over a dispute with council about the appointment of a foreman. The men said they had taken jobs elsewhere.

**MILTON**—Milton may have to send its garbage to Oakville. Milton council, two weeks ago, acknowledged complaints about continued activity at its present landfill site, but noted repeated attempts to locate a dump site in an adjacent municipality had been rejected forcing the town to continue at the Parkway Avenue site. Works superintendent Bruce McKerr told councilors he had to start filling back further at the site to prolong the life of the existing site. "I don't know what else to do with the flow of garbage," he acknowledged. "What we pick up around the town is a very small percentage of the total garbage."

**ORANGEVILLE**—A proposal has been made to erect a medical centre on the site of the old arena. A special committee from the Dufferin Area Hospital Board made this recommendation at last week's town council meeting. Committee chairman William Hux of the hospital board said a medical centre on this site, at the corner of Faulkner and Elizabeth streets, would entice specialists to locate in Orangeville and could be used in conjunction with Dufferin Area Hospital.

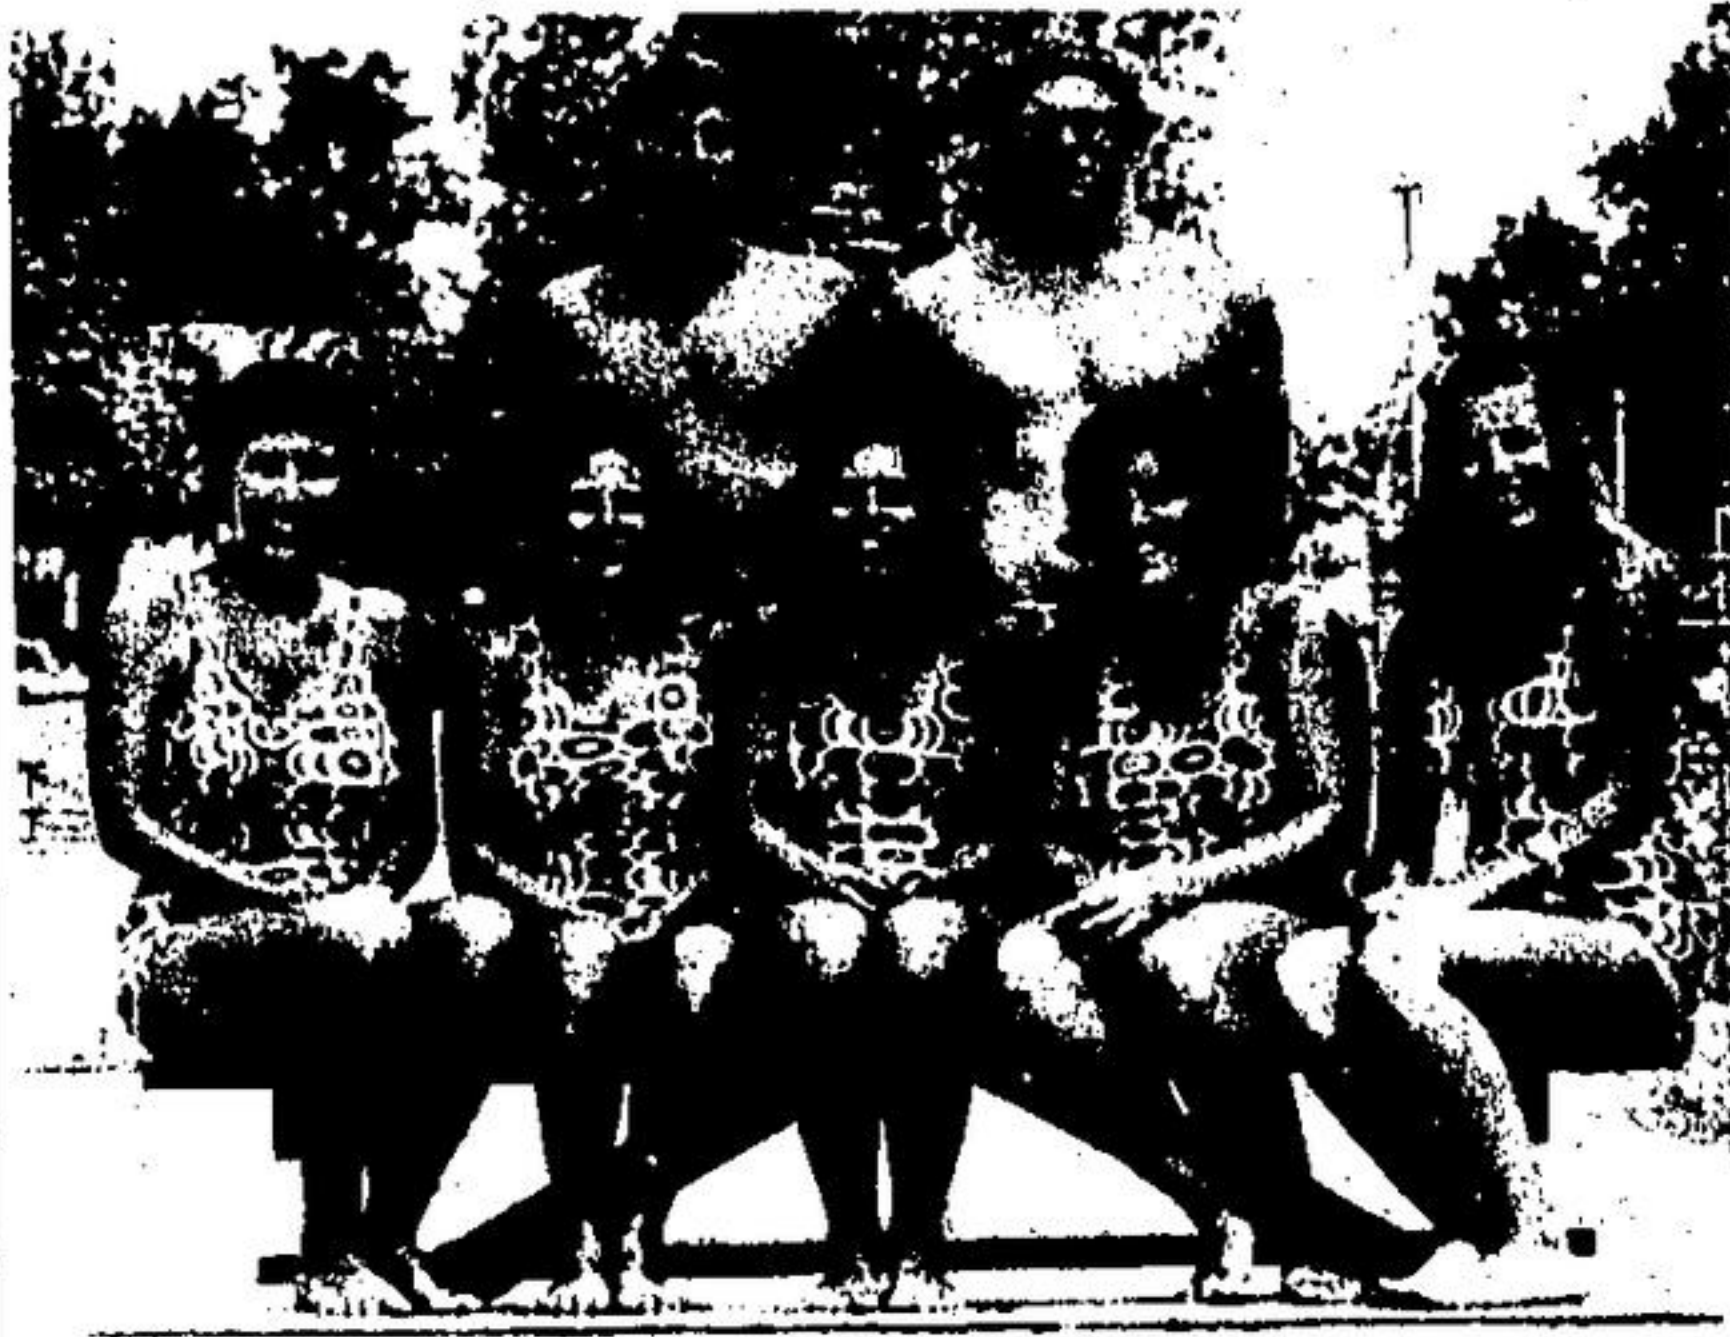

**GUELPH**—McDonald's Restaurants received the go-ahead a week ago Tuesday from the Ontario Municipal Board to establish in Guelph at a site on Woolwich Street. Green Forests Development Ltd. assembled a site 160 feet wide by 280 feet deep on Woolwich Street for the McDonald location. It is on the east side, between Speedvale and Woodlawn. City planning board and city council approved a zone change from a transitional zone to a commercial zone to allow for establishment of the McDonald's outlet. Officials said they were convinced of the "good corporate image" of the restaurant chain.

**BRAMBLEA**—More than 90 Bramblea residents are on the waiting list for telephone service to be installed in their area and Bill Barnes says the reason it does not know is the strike by workers represented by the United Auto Workers which has shut down Northern Electric plants in Belleville, Kingston and London. What Bill Barnes needs to put in these lines is buried type cable which is produced at these locations of Northern Electric. The Bramblea plant of Northern, which is back to normal, now produces only switching equipment.

**BRAMPTON**—Lack of opposition from area residents combined with endorsement by both town council and planning board was virtually assured successful completion of the project of the Brampton and District Association for the Mentally Retarded to establish a residence for mentally handicapped at 34 Church St. W. The association's application for an amendment to the official plan to permit use of the building as a home base for house parents and 10 to 12 mentally retarded persons was approved by the Brampton Planning Board following a public meeting a week ago Tuesday night. Chairman of the planning board was authorized to sign the amendment which would be submitted to town council for preparation of a restricted zoning bylaw.

### Duplicate Bridge

Fifteen tables were in play at Georgetown Duplicate Bridge Club's session last week when the following were winners:  
**NORTH-SOUTH**  
 1. Sid Hill and Clayton Barbour. 2. Gundy Kistemaker and Clare Lanstra. 3. Bina Adams and Jennine Follows. 4. Mr. and Mrs. A. Beecroft, and Bob Fedosa and Mark Loeb. 5. Terry Hansford and Ted Latta.

**POOL PERSONNEL**

**THE BRONZED**, healthy looking group perched on a picnic table is the staff at Georgetown swimming pool, pictured just before the rush of swimmers at opening time. From the left, front, are Bev Gummer, Shawn Fisher, Debbie Iglesias, Martha Hogan, and Carol Evans; in back are Geoff

Pantling and Ian Long. Supervisor Kim Fisher and assistant supervisor Anne Macdonald are missing from the picture.

### Milton, Streetsville Lose To Town Tykes

Georgetown tykes baseball club brought its record up to seven wins, five defeats and a tie, by adding two more victories in three starts this past week. The successes solidified

its hold on fourth place in the Halton tyke league.

Tykes pushed across 22 runs and allowed only six in beating Streetsville. Three of Streetsville's runs crossed the plate in the top of the first inning. Mike Hartley and Mike Mieh-m had perfect nights at bat and were the hitting heroes. Brian Ellis and Lance Doucette shared the Georgetown pitching and fanned 10.

The other win was a 16-12 upset of Milton in the county town.

Georgetown punched out five hits in each of the third and fourth innings and finished with a total of 13 hits.

Milton exploded in the sixth frame when it came through with seven runs.

Burlington spoiled a perfect week by dumping the Georgetown tykes 14-5.

### GETS TITLE

Yongo Haze, 16 month old Keeshond of Tanhardt Kennels, finished his championship at Kars, Ontario, Friday, taking his third best of breed. He finished with 11 points.

Owner Miss Laura Treble showed him in Ottawa, Wednesday and Thursday, and in Kars on Friday, where he won best of breed on all three days. The internationally known judge Nigel Aubrey-Jones presided at the Kars dog show.

### All Kinds Of Water

"We've got lots of water, there won't be any shortage this summer," Ken Faulkner, manager of the water department told The Herald this week.

The six wells can produce seven million gallons a day, while the top demand so far has been three million gallons a day. The peak demand this year on a sweltering 92 degree day,

was 2.7 million gallons, and normal demand is between 2 and 2.5 million gallons. The water tower on Todd Road stores 500,000 gallons.

**TONS OF CARGO**  
 In 1972, nearly 54 million tons of cargo were carried on the Montreal-Lake Ontario section of the St. Lawrence Seaway, and 64 million tons on the Welland section.
