

THE STRAWBERRIES AWAIT

(Herald Photo)

Despite threatening weather, which later in the evening produced a downpour, crowds lined up to enter the beautiful old farmhouse

owned by Mr. and Mrs. Lee Campbell, to pick up strawberries and ice cream. The occasion was the strawberry social held

recently by the women's auxiliary of Union Presbyterian Church. The lawn of the Anderson home

beside the church was dotted with tables, but many persons preferred to sit on the grass.

Northern Electric Strike Means \$20 Million Loss

Northern Electric plant in Bramalea suffered a \$20 million loss during the eight weeks of strike by plant workers represented by the United Electrical Workers Local 531, Northern President V. A. Graham of the switching division said this week.

Northern's monthly production of switching equipment totals about \$10 million.

For equipment, the eight weeks cost the company 1,500 frames, each frame being a rack of equipment. Several of these frames are joined together to form one switching gear.

Of these, nearly 60 per cent were slated for Bell Canada. Northern is a wholly-owned

subsidiary of Bell Canada. Mr. Graham said this in effect means about 1,000 frames for Bell Canada were held up.

Bill Barnes said there was a fair amount of backlog in the orders. He said several new areas were complaining of being held up.

He said, though, that most of the backlog was for additional services and changes in telephones.

Mr. Graham said it would take Northern's Bramalea plant "several months" to catch up on the work. He said due to the fact that most of its orders for switches were long term deliveries, the back-scheduling by eight weeks had upset things.

Hotel Sited Near Hornby

A 130 room hotel will be built on a site near Hornby. Plans were announced recently by Hamada Inns of Canada.

Company president Eric Hill said the building would cost an estimated \$2,700,000. It would open in late 1974.

The Hornby hotel would contain meeting rooms, a coffee shop and dining room, Mr. Hill said. The five acre site is at the intersection of Highway 401 and Trafalgar Road. Hamada has hotels in Montreal, Winnipeg and Quebec City with others being built in Ottawa, Toronto and London.
