

WILD WEST WHOOP-UP

"BRING ON the dancing girls" was the shout throughout the saloon, and they came out and danced for the cowboys and gold-laden miners, last week, as YMCA day camp whooped it up in a wild west celebration.

A 'LONESOME' cowboy clutches his cards and nervously watches the other poker players, as stakes and tempers rise in the big game at the YMCA day camp wild west day.

16 Inning Marathon Ends After Midnight

Neil Best's double in the sixth inning scored two runs and allowed Glen Williams to register a 3-1 victory over Streetsville in a Halton Men's Football League game in the Glen park, Monday night. It was the second time in six days that Glen hurler Bob McGowan and Streetsville's Bob Robson has hooked up in a pitching duel. Last week, Robson was the winner when a 16 inning game produced a 2-1 Streetsville victory. The marathon didn't finish until after midnight. A game in the Glen park, Sunday, was highlighted by Jim Frank's triple. That sixth inning blow was the key hit in the Glen's 3-2 victory over Oakville. John Holby was credited with the win, while Wayne Heston took the loss. The Glen's next home game is scheduled for Friday night.

A HUNCH of the boys were whooping it up in the Y day camp saloon with girls and cards and root beer brew, when a tiny stranger drew his gun, then decided to wait till he grew. The lady whose known as Lu did not appear at wild west day at the YMCA day camp last week, but 50 other eager western-garbed youngsters did.

Per Pupil Cost
Halton County Board of Education spent less per pupil in high elementary and secondary systems in 1972 than 10 other school boards in the province according to the results of a study released by Halton's assistant director of education Emerson Lavender. The study compared Halton to the Hamilton, Lincoln, London, Ontario, Ottawa, Peel, Scarborough, Waterloo, Etobicoke and North York boards. The Halton board's per per pupil spending of \$722 in the elementary system and \$1,219 in the secondary system was the lowest of the 11 boards in the survey.
