GLEN WILLIAMS

Doug Bryand, president of the Glen Williams Minor Ball Association, has given me the present standings. In the Halton County League, the junior girls finished first in their division, and are now in the semi-finals. The intermediate girls finished second, and are just beginning their finals. Atoms, who finished second, are just starting their semi-finals. Pee-wees have started their playoffs, having finished first, and the bantams, who finished first, are now starting their semi-final playoffs. The Midgets and Juveniles finished third and they too have begun their playoffs.

For the best of three games in the Ontario Rural Softball Association in the Glen's section, both pee-wees and bantams, have played against Bradford, and the juveniles have played Uxbridge. Bantams have won their first round in the OR, and they now have advanced to their finals. Pee-wees have split the first two games, and the juveniles have won their first game. They play in Uxbridge this week.

Mr. and Mrs. Lyle Armstrong and Mr. and Mrs. Harold Bennett have returned home from an extended holiday weekend in Westree, Ont. They stayed at the Monarch Hunt Club, of which Mr. Bennett is a member. The Armstrongs continued their holiday, visiting with his parents, Mr. and Mrs. Harold Armstrong, and other family members, at New Carlow.

Anne and Fred Ibbotson returned home Aug. 6, having motored down to Florida and back. They travelled with their grandson, Robert Boettcher, and friends Mr. and Mrs. W. Dorsey. They had the opportunity to observe the July space shot, second phase of the Sky-Lab project, at Cape Kennedy, which they said was very impressive. They continued on, touring Silver Springs, Cypress Gardens, Walt Disney World, and the Busch Garden brewery in Tampa. They travelled back home through the Blue Ridge Mountain area. "It was an extremely interesting and enjoyable holiday," commented Mr. Ibbotson.

Ruth and Stan Ash, and their family spent the long weekend, camping at Belwood Lake, near Fergus.

Mr. and Mrs. David Smallwood have returned home from their honeymoon. They motored east with plans to arrive in New Brunswick. Unfortunately, they didn't quite make their destination, due to a ferry strike. Joy and David travelled back through the states, arriving in time for an open house, given by Joy's parents, Mr. and Mrs. Tom Haines. Guests included friends of the family, from Toronto, Downsview, Burlington, Dryden, Guelph, Limehouse, Georgetown, Norval, and Brampton. Mr. and Mrs. William James, were guests from Beaconfield, England.

Mr. and Mrs. H. Visser, the new proprietors of the Glen snack bar, recently arrived back from their holiday, where they enjoyed a camping family reunion in Perth.

Jane Visser and Peter Hesselink have returned from Kentville, Nova Scotia, having visited with Jane's aunt and uncle, Mr. and Mrs. Y. DeVries and family.

Congratulations are extended to Joey Hamilton for receiving his Red Cross Intermediate Swimming Certificate at the Georgetown pool last weekend.

-Gail M. Williamson
