

# BACK TO SCHOOL

## WATCH OUT FOR CHILDREN!

**DRIVE BY THE RULES** **SAVE SCHOOL CHILDREN'S LIVES**

Children Can Be Careless — so you have to watch for them. They'll be playing, walking, running to and from school . . . and they'll be on the streets. Please be careful . . . make sure the car you drive is safe and that you have good brakes . . . you never know when a child may dart in front of your car. Let's not have an accident in Georgetown this school year.

## FOLLOW THESE SAFE DRIVING SUGGESTIONS

- 1 Do drive a mechanically safe car ... Make sure brakes, steering, tires are safe.
- 2 Do drive the legal speed limit. Drive even slower if traffic conditions warrant it.
- 3 Do keep your attention on driving. An alert driver is an alive driver.
- 4 Do be courteous in driving as well as at home. Obey all road rules. Drive so as to protect pedestrians and other drivers.
- 5 Do let someone else drive if you have had a drink. Even 'one for the road' may make it the end of the road for you or someone else.
- 6 Do obey all traffic regulations, markings, and signals. Always be courteous, alert, cautious.

**REMEMBER — THEY FORGET  
BE SURE YOU DON'T**
