

THE SHOWER WAS IN THE LOBBY

A wedding shower in the lobby of Georgetown hospital was the unexpected surprise for bride-to-be Linda Easton, who was hospitalized a few days before her scheduled

marriage to Stephen Stamp. Friends went ahead with the shower, but cut it to half an hour. The bride's mother and father Mr. and Mrs. Ron

Easton from Tulsa Oklahoma were also present. In the picture, Linda's sister Phyllis and brother Larry help open the presents. (Herald Photo)

Georgetown, Esquesing Get More From Bell Canada

Georgetown and Esquesing Township will receive a boost in the gross receipts tax paid by Bell Canada this year, as a result of a change legislated by the Ontario government. The increase is a healthy one for Esquesing, to \$30,000 in 1973, up \$27,600 from 1972. Georgetown will receive \$63,600 in 1973, an increase of \$24,100 over 1972. More than 825 Ontario communities will get increases of varying degree through the new Ontario government formula that increases Bell's gross receipts taxes by 52 per

cent to \$31.6 million in 1973. The gross receipts tax is a unique form of municipal tax paid only by telephone and telegraph companies in Ontario communities. It is paid to cover the value of poles and lines outside plant and is levied to normal real estate and business taxes. Under the old system Bell paid the tax to each community in which it operated by applying the local mill rate to the gross receipts taken in each community, up to a maximum of five per cent of the gross receipts.

The new legislation calls for calculating the number of telephones Bell has in service in a community at each year's end, multiplying the total by five per cent of the company's gross receipts in Ontario, and then dividing this by the total number of phones Bell has in Ontario.

In a preliminary assessment, some 825 communities will receive increases in 1973 as a result of the new formula and about 22 communities will be adversely affected.

To The Citizens Of North Halton

Nominations are in, acclamations awarded and now we know who will be engaged in the age old struggle of proving to you the voter why he the candidate should be elected to a specific seat.

Many of the political aspirants have something to offer due to personal ability and municipal experience. I believe much more than that is required — Regional Government for North Halton must be thought of as a Junior Provincial Government and must be administered accordingly.

It will require ability and experience, no argument, it will also require integrity, effective bargaining and the ability to put it all together so that North Halton will become a close-knit community that we can work and play in. It must become a community serviced and administered equally and fairly to all who will and do reside here. To this end I dedicate myself if elected and with the belief that I Bill Hunter can effectively mould this new community I RESPECTFULLY SOLICIT YOUR SUPPORT TO ACHIEVE THIS END ON ELECTION DAY, Monday, October 1st, 1973.

Last Week Belonged To Branch 120 Women

by WRIGHT SMITH Well, it seems that this week belongs to the women. They kicked off the weekend with the annual Ladies' Auxiliary birthday party held in the branch auditorium, and, as usual, it was thoroughly enjoyed by all present. It just goes to show that any organization is only as strong as its membership, and Friday evening gave every indication that the Ladies' Auxiliary of Branch 120 is thriving, well and strong.

Saturday saw the women still in full swing, when they held their dart tourney. Twelve teams were entered from the immediate surrounding area, and we guess the team that went home the happiest was Betty Drysdale's team from Bramalea branch. It went home with the winner's trophy. Second place was filled by Jean Reid's team, and Virtie Collins girls took third. Marion Beattie's quartet copped low score, and the high scorer of the day was Edna Ripon with 121.

A delicious lunch was served for the nominal sum of \$1. There was a constant supply of sandwiches and beverages. Ladies' Auxiliary meets once a month, on Thursday evening. Next meeting will be held tonight at 8 o'clock. Interested women who are potential members are extended a hearty welcome.

ON PARADE This Saturday saw the Pipe Band on parade in London for the occasion of the Western Fair. Member's new sashes and feather-bonnets certainly added dash and elan to their presence, if any is needed.

Next local appearance will be Sept. 29 when the band will march in the parade to mark the grand opening of Bramalea Legion hall. Incidentally, the band is looking for new members, 13 years of age and up to instruct in the playing of the pipes. So, come on, you young fellows, if you want to learn the pipes, telephone Mr. Allen at 877-4964 for additional information.

On Saturday, Oct. 6 a mixed darts tourney will be held in the Legion auditorium. Anyone wishing to enter a team of four members (two men and two women) is asked to contact Art Lawrence at 877-6874. This tournament will be followed by an evening dance.

On Friday, Oct. 26, a stag night will be held. Tickets may be obtained at the bar or from any executive member.

Don't forget, Sept. 22. This will be the initiation of new members, presentation of long-service awards and an opportunity for all members to bring their friends in for an evening of dancing and entertainment. So come on out on Saturday and have a ball.

Thinking of Selling Consult a Realtor

In 1970 approximately \$15,000,000 worth of real estate was sold through the Multiple Listing Services of the Brampton Real Estate Board. The board is constantly striving to establish and standardize the profession in a manner that will create and retain public confidence and respect. So if you are considering selling, look for your guide to professional services which only a Realtor can display.

BRAMPTON REAL ESTATE BOARD

The general meeting of the branch will be held Sept. 27. Because this is the first of the year, it will be marked by the annual President's Dinner. This is scheduled to start at 7 p.m. so it is advisable to be early. The roast beef is

delicious. Tickets for the Matt McDonough Benefit Nite may be obtained from Joe Polier at a cost of \$3 per couple. The number is limited to 80 tickets. So, once again, it is advisable to be early.
