SHOULD WE WAIT BEFORE BUYING?

Unless your case is unusual, my answer is an unequivocal no. From the buyer's point of view, the best time to buy is almost always now! Material and labor costs are continually rising, so you can bet that property will bear a higher price tag in a year, or even six months from now. Interest rates have fluctuated in recent years but indications are that they're about to rise again. As the price of new units increases, it drives up the prices of older homes as well. Due to population growth, supply and demand also helps to hike prices.

Even if you have to take a second mortgage for several years, the sacrifices you make will be more than compensated for by the feeling of well being that a house of your own imparts. Your family will reap the rewards of your endeavors and entertain many happy memories of their first real home. Give the matter some serious thought now, then talk to a competent member of our staff. You'll find his advice and counsel to be invaluable at this critical time in your life.

Select the name you feel you can afford, arrange for a down payment of 10 per cent of the purchase price. Give us a call and we will do our best to help you work out a plan. No obligation so do it now.

COUNTRY COLORFUL—Acreage, like 75 beauties on corner farm. Vacant but good development district. Big frontage on paved thoroughway. Estate properties now going in area. Think about syndicating a few friends with 10 to 12 thousand each could put you into a good investment plan. Asking only \$57,500.

YOUR CHOICE—We have a great variety of lots and farms and more houses for sale, near and far from Georgetown-North to Highway No. 9, west beyond Acton, not many east to highway 10, some lots near Hillsburgh and more even north to Bracebridge. Call us now, and tell us what you need, we will take it from there!

TRAVELLER'S RAT RACE—Salesmen, locate in Georgetown area. You are 35 minutes from downtown Toronto, Hamilton and only one hour from Barrie or Kitchener or London, close enough to Niagara Peninsula and St. Catharines from here. Maybe you'll get a game of golf now and then. The first course is to give us a call, we must have a spot for you.

SCENIC TOUR—Is all yours, for all season, in the Credit Forks area, 100 x 400' building lot, permit and ready for your own kind of country home on nice bush lot. Won't last long. Call us now. Asking only \$21,400.

SOMEWHERE ALWAYS—And here is just the place for you, 36 acres of vast rolling land, with a good selection of house sites. What else with over 600' of frontage. Countryfied within comfortable commuting distance of Brampton, Toronto or Hamilton. Hard to come by—easy to get just call us now. Asking \$43,500.

VERY ENGLISH YOU KNOW—The Country Tudor wears very well in this village fringe location. The half acre lot is just right for easy care, in an area of prestige homes, yet very private if you wish. Now in the final stages of construction. The time to buy and add the finishing touches to suit your taste of color and trim. Get with it. Really only \$44,900.

EXPLORER'S PARADISE—1.52 acres and ideal building site for a mansion in the woods—scotch pine and big beech trees, open grass land and more trees besides the rugged out cropping of limestone formation—almost a private bird sanctuary and wildlife galore. Exploring unlimited. Real price only \$27,900.

DEFIES EASY DESCRIPTION—We have to ask you to see this classic to believe it. The Roman brick and stone blend with the long rambling bungalow. Full living area on ground level, four bedrooms, country kitchen-family living room and hearth to ceiling artistic stone fireplace, huge tall foyer and centre hall plan, broadloomed over step down floor, lower level spacious games room with stone mantel fireplace. The family room and entertaining rooms are complete with insulated flooring, wall panel and acoustic ceiling tile and a 12 foot mahogany bar. Asking \$74,900.

YOUR BIG CHANCE—To own a big piece of Ontario—over 400' on a super highway. Good commuting distance to Brampton, Rexdale, Port Credit. Think about four acres and then some. This is in Caledon area with an old building on it. Asking only \$29,900.

THE ONLY WAY TO GO—Someone helps to pay. Not often you find the extra security of a private self contained suite for others or in-laws, comfortable large bedrooms, each private washrooms and ceramic tiled shower. Just enough land to comfortably care for. All yours only \$15,900.

ROLLING OVALS—Range land and some bush. Rolling open, and small stream flowing through. This village fringe property should be ripe for development soon. Good frontage on paved highway. Expansive but not expensive at this realistic price. Only \$37,500.

FANCY RETIREMENT—Many retired neighbors enjoying themselves in this quiet area. One level bungalow solid brick, cosy three bedrooms, convenient kitchen dinette, soft rugs and very clean. The shading awnings, lovely fruit trees and flowers, and just a few steps from downtown. Could you dream of anything nicer. Let us prove it to you. Be sure to call. Asking only \$43,900.

SCENIC-LIKE TRAVELOGUE—Village ravine lots, miles and miles of beautiful countryside, near enough to Terra Cotta, two stone skips from Credit river, building plans are really nice. Choose yours—we will follow through. Lots starting at \$19,900. only

SURE YOU WILL AGREE—After looking at this sturdy brick and stone bungalow—featuring three comfortable bedrooms, big family fun living room, and family room in the big wide open part of town. Graciously priced at \$38,900.

MODERN COUNTRY LOT—Not a mile from highway 7, three miles to bustling town and all the modern amenities and just minutes to schools and bigger town plaza shopping. Only when you want it. Country living yet people are near. What's more, asking only \$21,500.

YOU OWE YOURSELF—The luxury of this gleaming bright two storey Cambridge model, with four really big bedrooms, added private dressing room-his and hers, and the ensuite washroom off the master bedroom, the master bath, and another off the mudroom entry. Located on an extra large lot, in sight of conservation ravine. Happy family value, move into this one. Only \$49,900.

ONE THING CERTAIN—The condition of this semi-duplex leaves very little left to do. The outside needs a touch up, but the inside is tastefully done in panel and broadloom, looks like the rentals should bring about \$200-\$225 monthly. That's a good return on a big double dwelling. New furnaces, separate utilities. Tenant pays all. Look into this maybe two people will buy one side each for \$22,500. The whole package only \$44,900.
