

WARM WEATHER BOON TO PAVERS

A HEAVY load of asphalt is dumped into the spreader as King Paving and Materials of Oakville moves ahead with resurfacing of Georgetown streets. This big truck, and others like it, have 12 rear wheels, with a third axle that can be lowered to give extra load-bearing support. Gross vehicle weight is registered at 65,000 pounds, giving a payload of about 20 tons.

A NUMBER of streets in Georgetown are receiving application of new surface material. Here, a paving machine of King Paving and Materials of Oakville deposits a fresh layer of hot asphalt on Langston Crescent. Warm fall weather has been a boon to the pavers.

R R 2 Georgetown Youth Wins \$100 Scholarship

Two young people are the winners of the Halton County Federation of Agriculture scholarships of \$100 each. They are Carol Somerville, Acton, and Ken McNabb, RR2, Georgetown. The scholarship is to assist worthy students in courses at an agricultural college or college of agricultural technology in Ontario.

Carol Somerville has been very active in 4-H club work, completing 13 4-H agricultural clubs in the past seven years. She also has been active in judging competitions and this year won the top score in the senior section at the Canadian National Exhibition. She also was chosen for a 4-H exchange to Wisconsin earlier this summer. Carol has enrolled at the Centralia College of Agricultural Technology.

Ken McNabb has completed 19 4-H agricultural clubs in his past seven years and has been consistently at or near the top of each. For the past five years he has won his section at the county seed judging competition and for the past three years has won the County Senior Livestock Judging competition. Ken has enrolled in his first semester at the

University of Guelph in the bachelor of science agronomy program.

These two students were selected at the Halton Federation of Agriculture directors' meeting held on Sept. 20 at the agricultural office, Milton.

BROWN-DENNY Teachers Married In Limehouse Ceremony

Limehouse Presbyterian Church was the setting for the pretty August wedding of Mary Lou Brown of Limehouse and Raymond Clarence Denny of Acton.

The bride is the daughter of Mr. and Mrs. Fred J. (Ted) Brown, their youngest daughter of R. R. 1, Limehouse, and the groom is the son of Mr. and Mrs. Clarence Denny, their youngest, of R. R. 2, Acton.

Both bride and groom are teachers she at M.Z. Bennett Public School in Acton and he at Stewarttown Senior Public School.

Presiding at the double-ring ceremony was Rev. Peter Barrow, with organist Mrs. Jack Roughley and soloist Miss Kathie Swackhammer, cousin of the groom. Selections sung included Wedding Song, accompanied by the groom's brother, Ted Brown, on the guitar; Wedding Prayer, and I'll Walk Beside You accompanied by the organist.

Standards of pink gladioli and white chrysanthemums with white bows marking the pews decorated the church.

The bride wore a pure white polyester organza gown with empire waist and A-line skirt with a deep double ruffle edged with a satin ribbon at the hem. Enclosed chapel train had a double ruffle encircling the edge. Long, sheer sleeves were ruffled and tipped with satin. A softly scooped neckline was outlined with appliques of Swiss guipure lace with appliques repeated on the skirt. A cluster of organza roses with delicate spray held a chapel veil edged with tiny Swiss appliques.

For the wedding, the bride wore her maternal grandmother's opal ring, an opal pendant, gift of the groom. The bride carried a cascade of pink roses, ivy and baby's breath.

ATTENDANTS Attendants were Betty Anne Karn of Acton, only sister of the bride, who was matron of honor; Lynore McDonald of Caledon, friend of the bride, bridesmaid; Joyce Denny, of Acton, only sister of the groom, bridesmaid, and Diane Bonnette of Acton, friend of the bride, bridesmaid.

All attendants were dressed alike in Victorian gowns of aqua Swiss dot fashioned with empire waists and soft fullness in the skirts, deep ruffles at the hemlines. There were short puffed sleeves, V-necklines and with tips of sleeves and waists edged with picot lace. Wide brimmed white hats were bonneted with filmy net.

Bridesmaids carried nosegays of white daisies, pink sweetheart roses, baby's breath and ivy with wide pink streamers. The bride's attendants wore opal pendants, gifts of the bride.

The bride was given in marriage by her father. Groomsmen were Vern Denny, only brother of the groom, of Acton.

Ushers were Ted Brown, only brother of the bride, of Limehouse; Gordon McDonald, friend of the groom, of Caledon, and William Karn, brother-in-law of the bride, of Acton.

Groom, groomsmen and ushers wore black, tux-tail suits with full veils. Evening reception was held at the Acton Music Centre.

The bride's mother received in an organza gown, printed in soft tones of lilac and aqua on white, with ruffled neckline and empire waist with soft fullness in the skirt. She wore white accessories, mauve ribbon entwined in her hair and a corsage of mauve cymbidium orchids.

The couple honeymooned in Eastern Ontario, in the Ottawa area, and are now residing at Maria Apartments, Acton. For travelling, the bride wore a floor-length halter gown of ivory crepe, topped with a hooded jacket trimmed with rose and green braid. She wore a pink bridal rose corsage.

Showers for the bride were given by Mrs. F.C. Whitmee of Georgetown, aunt; staff of the M.Z. Bennett school in Acton; Mrs. W. Elliott of Milton, cousin of the bride; Mrs. G. McDonald and Miss D. Bonnette, friends of the bride; Mrs. B. Patterson of Guelph, aunt of the groom; and there was a presentation and shower by the Limehouse community and a presentation by the Churchill community.

Specials guests were Mrs. S. Denny, grandmother of the groom, and Mrs. Fred McNally, great-great aunt of the bride.

Notice of Public Meetings Bradley-Georgetown Transmission Line Routes

The Study Continues

Ontario Hydro has been conducting an intensive study over the past few months on the location of the transmission line routes between the Bruce Station and the Kitchener-Georgetown areas.

The purpose of the study is to find the best possible location within the 3,000 square mile study area for two 500,000 volt transmission line rights-of-way to transmit electricity generated at the Bruce Generating Station to the Georgetown area and a new transformer station near Kitchener.

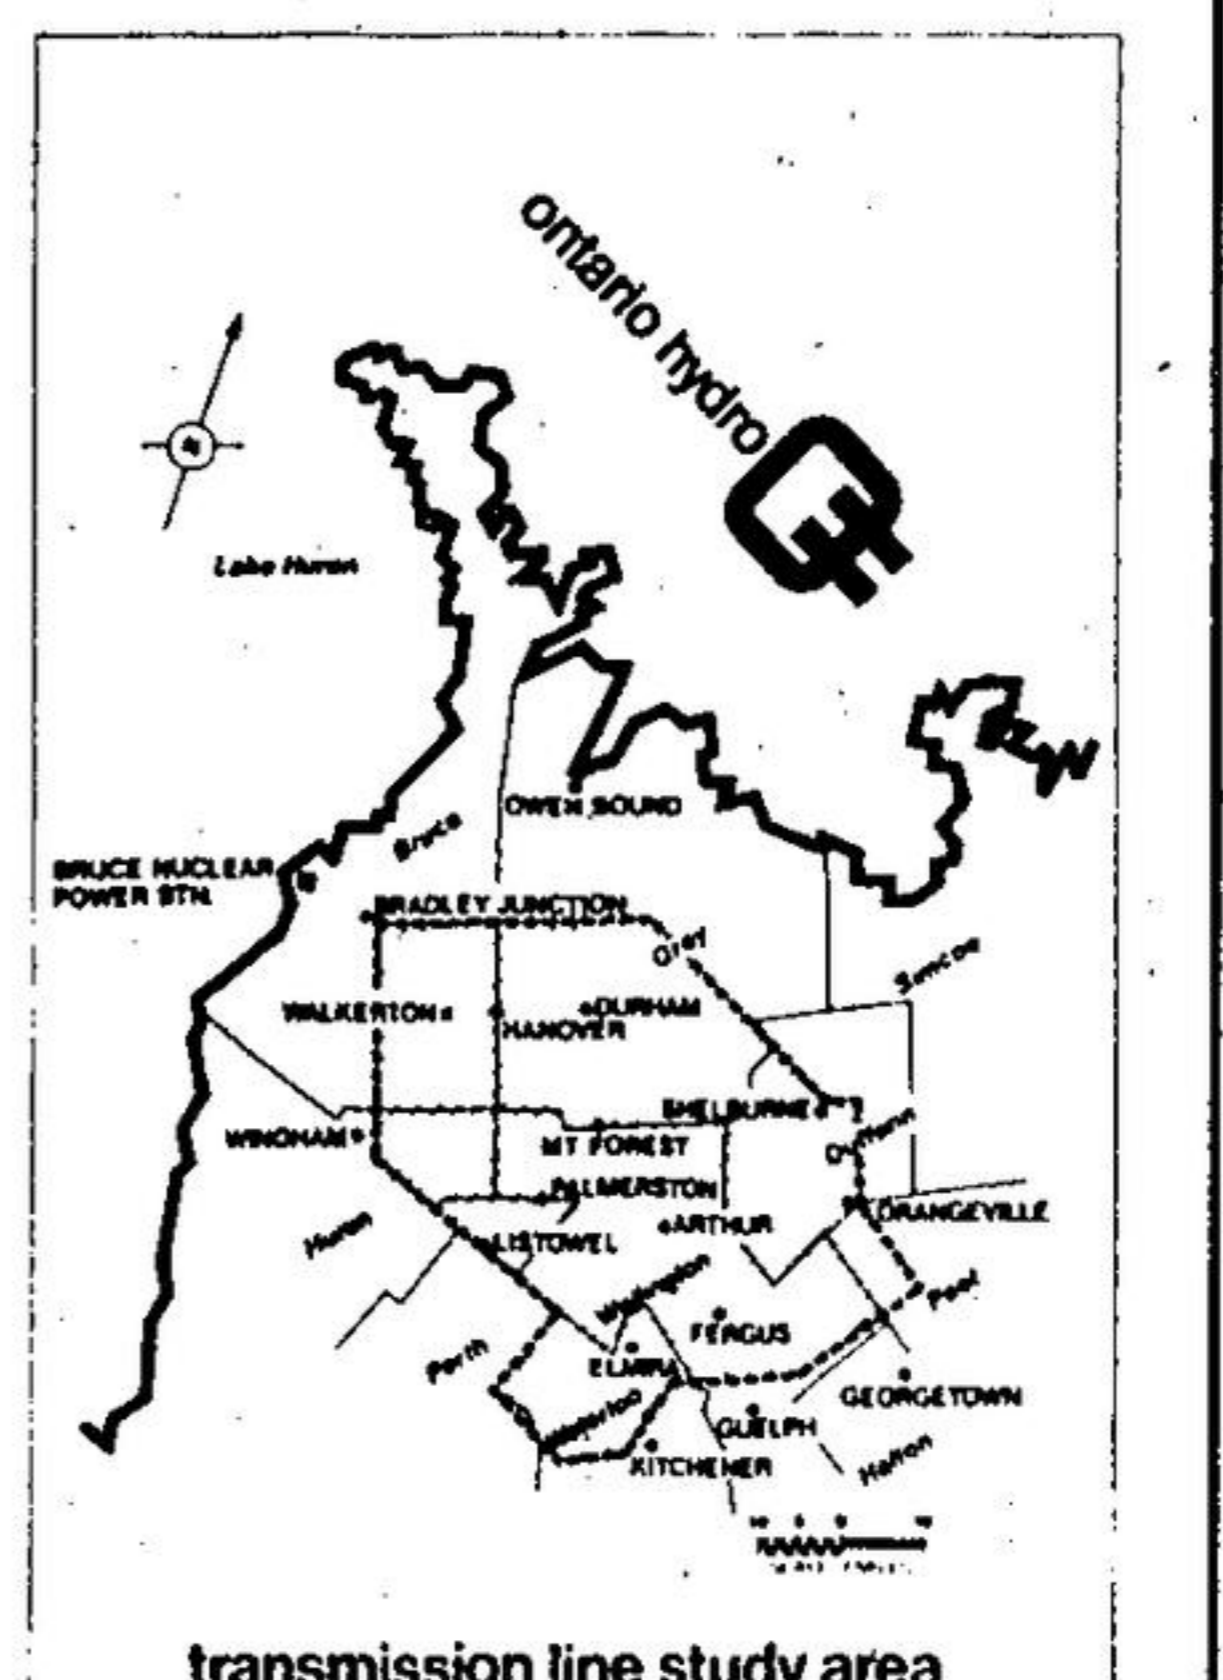

The First Phase

The first phase of the study was devoted to assembling basic data about the study area from maps, statistics, etc. in order to establish possible corridors for the transmission lines. During March and April 1973, public meetings and opinion surveys were conducted across the study area. Since that time the project team has been working to establish possible alternative corridors.

Now The Second Phase

To determine the views of the community about these corridors, a second phase of public meetings has been arranged. These are listed below.

There is a meeting for your area and you are invited to attend. A large scale map showing the location and details of the proposed corridors will be on display from 7:00 p.m. on the evening of the meeting. Hydro representatives will also be available at that time to discuss the corridors with you.
