

GEORGETOWN CALVINETTES AT OPENING MEETING

66 GIRLS

## Calvinettes Open Season

The Georgetown Calvinettes started its season on Sept. 21 with an enrolment of 17 new girls. The club now totals 66 girls who are split into 12 individual groups. The club is under the leadership of Mrs. Lucy Vandusius who is assisted by Mrs. Jane Fokkens.

The first evening was attended by mothers and girls. While the girls were enjoying games, the mothers were acquainted with the new program being used in Calvinettes. Mrs. Shirley Van Raamsdonk explained to the mothers why new changes were

brought in and how it would benefit the club and the girls. Mrs. Vandusius brought to the attention of the mothers the importance of showing an interest in what their daughters were doing in the club and not just send them for a night out.

### GENERAL DISCUSSION

A general discussion followed of club activities, financial matters, and service projects. After recess the new girls were initiated into the club. A large candle, representing Jesus Christ, was burning in the dark auditorium and each new

Calvinette came forward and lit her own candle from it. Junior counselors for this year are Henrietta Fokkens and Jeanette Smedema, both in their 2nd year. First year jr. counselors are Millie Vanderburgh, Irene Schenk and Elizabeth Smedema.

Also, he spoke to a driving education class at Milton District High School.

This safety message is offered: Do you realize your responsibilities toward the rest of the public, both pedestrian and vehicular? Do you know the laws in force which are especially designed to guide you in your behavior as a driver, and so act as preventatives against collisions, injury and damage to the property of both you and your neighbor? Are you aware that in almost every case a collision is the direct result of neglecting to observe the law?

Do you observe these traffic regulations? Take a few minutes to digest what will follow in the next 8 weeks and see just how many you actually do observe as a matter of second nature.

Be wise beforehand, read and obey traffic rules—otherwise, you might not live to regret it.
