Sale Dates Announced For Licence Stickers

The Ministry of Transportation and Communications has announced that beginning Dec. 1, 1973 renewal registration for passenger motor vehicles and trailers will go on sale at 284 Licence Issuing Offices throughout the Province. As in 1972, the fees are \$23 for a four cylinder vehicle; \$32 for six-cylinder; \$40 for an eight-cylinder car and \$5 for trailers. This year marks the first time that Ontario will be issuing a licence plate sticker instead of new plates to signify that the vehicle owner has paid his annual registration fee. No new permit will be issued for renewal — the present permit will be used for five years. Under the new system motorists will not be required to fill in an application as in the past, but rather need only the present permit with the fee to the issuer. The issuer will then ask the motorist to sign an insurance declaration and will return the multi-year permit on which he has affixed a sticker. He will also provide another sticker the motorist will be required to attach to the plate on the rear of his vehicle. This new system is similar to those presently in use in 30 other jurisdictions across North America.

Wife Wins Program Draw

It was a husband and wife combination, Friday, when lucky program number draw at Georgetown Memorial Arena was won by Lillian Prosser, wife of Jim Prosser of the Georgetown Raiders. Lillian won the draw, when the number contained in her Raiders' program was drawn. She had a chance to win \$5, if the player of her choice on the Raider squad could score a penalty shot against the Raider goalkeeper. Naturally, Lillian chose husband Jim to take the shot. And, naturally enough, goalkeeper Bruce Jackson decided he wasn't going to let the puck into the net. Jim shot, and Bruce kicked the puck away. Lillian couldn't collect her \$5.
