PAUL HENDERSON SAYS "MAKE IT EASY WITH GUARANTEED TRACTION!"

Paul Henderson is a real pro on the ice. So he knows other professionals when he sees them. And that's the word for the people at your Firestone Store or participating Dealer. They guarantee the traction that others only talk about. Yes, with Firestone winter tires, "you go... or we pay the tow."

And when you look at the Snow Champ traction tread, you can see why we can give you that written pledge. But there's plenty more under the surface. Tough, strong double belts to lock the tread on the road for full traction all the time. And for a lot more mileage too. The surprising thing is that you get all this guaranteed traction at really rock-bottom prices. At Firestone.
