PRESENTATION TO WINNERS

Major Atoms Record Fourth Win In A Row

On Sat. Dec. 8 Georgetown Firefighters Major Atoms made it 4 wins in a row with a 2-1 victory over Dundas. This win was a little "lainted" as the atoms had previously beaten Dundas 12-1 on home ice. Playing a little over-confident they had to fight to gain a win in this one. Two goals by Paul Wilson, assisted by Dave Pilote and Bob Dean, combined with strong defence by Lance Doucette, Dave Pilote and Keith Ward produced the win. Brian Ledger played another good game in goal and Paul Wilson and Bevin Palmateer up

front worked hard. At home on Thurs. Dec. 6 the atoms avenged a previous loss of 8-3 to Burlington by downing them 2-0. This was their second shutout win in a row highlighted by excellent goalkeeping by Warren Street. Two fine unassisted goals by the Firefighters defence scored in the first period were the only scoring in the game. The first one at 10:55 mark of the period when Brian Ward picked up the puck at centre, stickhandled his way by the Burlington defence and fired a nice shot to score.

Smith Bloopers

Mayor Bill Smith was in fine form last Friday evening at the Georgetown Volunteer Ambulance service dinner held at the legion hall. Mayor Smith, talking about the new Halton Hills service, to begin in January, quipped "with people as tremendous as you, we can't help but miss."

The second one was a rush by Lance Doucette at the 9:11 mark. Only a few minor penalties were called in this game and with the final two periods scoreless this game was an exciting one from a spectator's viewpoint.

Firefighters Tim Legere, Kevin Hughes, Paul Wilson, Rick Poot and Bob Dean playing strong games in this win. Dave Holmes and John Henderson's lads are starting to move the puck around well and play a good team game which has produced these past four wins. Firefighter's next game is Tues. Dec. 11 at Oakville and Tues. Dec. 18 at Brampton at 6:30 followed by a home ice game on Thurs. Dec. 20 vs. Chingacousy at 6:45 p.m.

Investigate Break-In

Police here are investigating a break and enter at a construction shack at the Kingham Hills Estate Development. An estimated \$300 worth of construction tools were removed from the shack sometime early Saturday morning.

Powerplay Begins To Pay Off Raiders Put Practice To Use

Powerplay practice is beginning to pay off for the Georgetown Raiders. In two weekend games, the club notched three powerplay goals, two of them coming in Sunday's contest with the Dundas Merchants. One powerplay tally was scored in the Friday evening encounter between the same two clubs. Raiders and Merchants split the weekend meeting. Georgetown winning on Dundas ice and Dundas winning in Georgetown. The score was 10-8 for Dundas in the Friday match and 6-3 for Georgetown in the Sunday game.

Penalties also played a key role in each game. On Friday, the penalty pendulum swung against the Raiders while on Sunday, it was the Dundas Merchants who suffered. Some of the trouble was due to miscues by the officials, the remainder was because of the pugnacious fervor of the two opposing teams.

In Sunday's match, the first period saw seven roughing and two fighting penalties handed out. A misconduct penalty for protesting a call highlighted the Friday game. Doug Tate, for the Raiders, was the sinner. Friday, the Raiders gave up a three-goal lead that they set up before the mid-way point in the first period. The Merchants, a hard-hitting club, came on strong in the second and third periods to even the game and then to bounce ahead. One second-period tally for the Merchants came while the Raiders were two men short.

In Dundas on Sunday, the Raiders took an early lead in the game, then saw Dundas tie the score in the second stanza. Dundas even went ahead briefly in the third period, only to have Georgetown roar right back to even the score. Ray Evans, Tom Gilbert and Doug Tate notched the final three goals of the game, all for the Raiders. Powerplay action by the Raiders has Junior Tibbitts working at centre, flanked by Tom Gilbert and John Moro. Bill Currie and Duane Rutley complete the action lineup. It was Gilbert who got the powerplay goal in Friday's game, and he got another, the first goal, of Sunday's game.

SLAPSHOTS
John Moro got the jeers of the Dundas crowd for Sunday's match. A former Dundas player, he found himself the target of much attention in both weekend games. Jim Prosser was on the move for the Raiders, especially in the Sunday match, as he set up two fine goals. He faked two defencemen on one salvo, to

feed the puck to Tibbitts for a goal. Rutley got some elbowing from Joe Donald of Dundas and retaliated with a bit of ankle slashing, Sunday. Donald planned his own retaliation, but the move backfired, and his joust with Rutley ended up in his dismissal to the penalty box. Rutley got off free. Bruce Jackson stopped a pass from Dundas' Larry Wilson in Friday's match, only to lose control and see it dribbled over his shoulder and into the net. In that game, Rick Jones came in to replace Jackson in the third period.

Sunday, Bob Aitken of the Merchants was the victim of two slow shots that probably shouldn't have got past him. Ray Evans took a pass from Prosser and Jim Blair and popped it by the Dundas netminder. Evans scored to make up for a Dundas goal that game, on a powerplay, while he was sitting out a second period penalty. Doug Cook scored that Dundas marker.

Raiders were outshot 41-35 by Dundas in the Sunday game, but turned more of their shots into goals. Janice Martin won the jackpot draw Friday in Georgetown, but will have to wait to see the player of her choice. Tom Gilbert, take a penalty shot. If he beats the netminder, she wins \$5. Next home game for the Raiders is Dec. 21, against Port Colborne.

Raiders picked up two points in the weekend action, but remain four points behind Dundas, which increased its point total to 20. A second period goal Friday was disallowed because a Dundas player kicked it into the net.

Curlers Win Turkeys In North Halton Spiel

By CYNTHIA AND GORD PARTRIDGE

This is the first year that North Halton has had a turkey spiel and there are 12 lucky families that won't have to buy one. There were three draws to accommodate all the curlers and turkey winners are as follows:

Irwin Noble, skip, with Bobbie Phillips, Ron Hunt and Beverley Rawson.
Lloyd Mainprize, skip, with Ken Skinner, Dan McAlpine and Joan Mustard.
Tracy Barrager, skip, with Marg O'Flaherty, Gord Nugent and Jean Jackson.
Christmas cakes were served and the lucky curlers were:

Stan Hegstrom, skip, with Arden Mainprize, Glen Hagerman and Muriel Lindley; George Budreo, skip, with Dot Hamilton, Bob Bruce and Cathy Perego.

After prizes were awarded, dancing was held in the dining room and a good time was had by all. Boy, that Ken Phillips sure can play the piano for a sing-song, can't he? But at 1:00 a.m. the voices left something to be desired. Congratulations to the winners and a big thank you to Dorothy and Frank Currie and the social committee for a terrific day.

Unsuccessful curlers have another chance when the ladies turkey spiel takes place, also, the business girls are having one next week. There was no junior curling due to the legion curling on the Sunday at the club, but it will resume this Sunday. Attendance at the Saturday night jiney last week was a little sparse because it is a busy time of year, but winners were Gord Nugent, Lynne Gerrard, Bill Moffatt and Diane Ducek. The annual wine and cheese party on Saturday, Dec. 15 promises to be another big bash. See you all there.

Standard Products Upset Burlington

Georgetown Standard Products major peewees turned the tables on Burlington hero Thurs. Dec. 6 defeating them 5-4 after losing 3-1 in their initial meeting earlier this season. Burlington started the scoring with only 9 seconds of the game gone. Georgetown's first goal came at the 4:49 mark after Greg Thompson carried the puck into Burlington's zone, set a good pass to Ian Reeks who fired it home for the first goal. With only 42 seconds remaining in the period Bill Taylor scored on a pass from Mike McMenemy to put Georgetown ahead 2-1.

With Burlington a man short because of a penalty Standard Products scored a power-play goal. Dave Kemshead passing to Greg Thompson who fed Mike McMenemy at the point. McMenemy moved in and fired a hot one into the goal. Burlington had their chance at a power-play and succeeded, scoring at the 13:58 mark. Another Burlington penalty gave Georgetown a man advantage and Mike McMenemy scored on a pass from Ian Reeks, at the 14:46 mark of the third period.

Standard Products powerplay was devastating as they banged in their third powerplay goal of the game, at 5:23 mark. Paul Morrow scoring from Greg Thompson and Ian Reeks. Burlington tried hard to get back into the game by scoring their third goal at the 2:28 mark. They pulled their goalie and took advantage of a late Georgetown penalty and at 3-second mark scored to bring the game to a 5-4 game. Time ran out and Georgetown were the victors.

The Georgetown defence unit of John Barnes, Marty Power, PHIL Buck, Jim Pearson and Brock Street moved the puck well and played improved hockey defensively in the process.

Major Peewees next game is an exhibition game here Thurs. Dec. 13 at 7:45 p.m. against York Warriors of the Toronto League who have lost only 2 games this year; followed by a league game against Chingacousy Thurs. Dec. 20 at 7:45 p.m.

Burlington Bantams Drop Georgetown

Ron Lane's Lions Major Bantams had a rough evening at the hands of Burlington losing to them 6-1. Burlington scored four unanswered goals in the first period. In the second period Georgetown got on the score board at the 9:43 mark with Andy Broadbent scoring while Burlington served time in the penalty box. Burlington scored 2 more goals, one at the 6:17 mark with Georgetown serving a penalty to Glen Bodnar and recorded their 6th goal at the 2:16 mark to end the period. Georgetown seemed to have problems getting an attack going on Thursday evening.

Major Bantams next game is a home game against Chingacousy on Thurs. Dec. 20 at 8:45 p.m.

Grocery Hamper Raffle Winners

Lucky winner of the Christmas grocery hamper raffle held by the trustees of the community hall in Terra Cotta was Peter Lyons, of Cheltenham. The draw was made Dec. 7 at the Villager Christmas dance. The evening was very successful with some lovely prizes being given away as door and spot prizes.
