

# Fox Problems In Norval Area

Foxes acting in a peculiar manner and suspected of having rabies have been seen in the Norval area recently.

One was in the back kitchen of Mr. and Mrs. Murray Laird's home one day last week. It was chewing on an old rubber coat and paying no attention to the dog barking loudly at it through a window of the door. Before Mrs. Laird could get help the fox ran off and was later seen near Shea's garage in the village.

Norman Shea got his gun and took a shot at it but it disappeared into the brush by the river.

Ernie Alexander spotted a fox that was acting peculiar and gave chase to it on his snowmobile but it disappeared into a swamp on the farm of Mr. and Mrs. Alan Harrop. This may have been the same fox that had been in the village.

The Harrop's dog discovered the fox near the barn and chased it away. A little later it was involved in a fight with a dog near the home of their neighbor Sam McComb.

The Harrop's phoned their neighbors and told them to be on the lookout for the erratic fox. It showed up on the farm of Mr. and Mrs. Mac Hyatt and the Hyatt's dog tackled it and killed it. The dog is now tied up waiting a report on whether the fox had rabies or not. Fortunately the dog has had rabies shots.

**CONCERNED**  
Farmers in the area who have cattle in the fields are quite concerned about the threat of a rabid animal biting some of the cattle. Mr. and Mrs. Spencer Wilson lost a cow with rabies in December so the threat is a very real one. Mrs. Harrop reports that another neighbor had phoned to tell them that he had taken a couple of shots at a wolf but it had disappeared into the swamp so now they are on the lookout for the wolf.

The fox and the wolf have stirred up considerable excitement in the district and farmers are watching their stock as closely as possible. All dogs and cats in the area should be inoculated against rabies and children warned to stay away from animals that are acting strangely.

Unit Two of Norval United Church Women held a planning meeting for the year at the home of their new president, Mrs. Edna Murray, on Thursday evening, January 10 with 12 members present.

Members were divided into groups with each group to be responsible for planning two meetings during the year. Projects for the year were discussed and it was decided not to have a bazaar this year as the year looks as if it will be a busy one.

Officers for 1974 are: president, Mrs. Edna Murray; vice-president, Mrs. Rosie Laidlaw; secretary, Mrs. Ella Laidlaw; social, Mrs. Nellie Shea.

Following the business meeting the hostess served lunch and a social time was enjoyed.

Union Presbyterian Church W.M.S. held their first meeting of the year at the home of Mrs. Wilfred Leslie with 14 persons present and Mrs. A. VonZuben presiding.

The scripture lesson and prayer were given by Mrs. C. G. Bishop and Mrs. Elsie Puckering, after which Mrs. Frank Dolson gave the new year's message.

Officers for the year are: president, Mrs. A. VonZuben; secretary, Mrs. Lloyd Davison; treasurer, Mrs. Eric Leslie. The hostess was assisted in serving lunch by Mrs. Eric Leslie and a social time was enjoyed.

**LIGHTS**  
Norval residents were pleased to learn that at last traffic lights for the main corner of the village have been approved. However, they may not be installed until spring so until then extra caution must be observed by motorists at this corner and by pedestrians trying to cross the highway.

Nine year old Shane Lebevre who was hit by a car on the highway and suffered a badly broken leg at the end of October, returned home from Georgetown and District Memorial Hospital a week before Christmas. His mother reports that he is progressing well and will be receiving therapy until February when they hope he will be able to attend school again. Shane is missing his hockey very much but he should be able to participate in the hockey schedule next year.

Sympathy is extended to Mr. and Mrs. James Doane and family on the death of Jim's father, Mr. John P. Doane of RR2 Norval, in Peel Memorial Hospital, Brampton, following a lengthy illness.

Sympathy is also extended to Mr. and Mrs. Mac Alexander on the death of Mrs. Alexander's sister Jessie, Mrs. Neilson Stark of RR 3, Georgetown. Also to Mr. and Mrs. Hugh Cunningham on the death of Mrs. Cunningham's sister Norah, Mrs. Edward Hill of Glen Williams.

Miss Pamela Browne of Surrey, B.C. daughter of Mr. and Mrs. Douglas Browne, visited with her aunt and uncle Mr. and Mrs. Ormie Carter over the holidays.

—Mrs. Dorothy McLean

## Ballinafad W.I. Holds Jan. Meeting

The January meeting of the Women's Institute was held at the Ballinafad W.I. on Tuesday evening, January 16.

The creative stitching course resumed again last Tuesday evening, January 16.

She said it was the 75th anniversary of the order. Her talk was most interesting. She enlightened members and guests on many things relating to health services.

Mrs. Reta Shortill courtesy convener, thanked the speaker for taking of her valuable time to talk to them. Mrs. Reta Shortill convener for family and consumer affairs, had an interesting article on "pennies for friendship". The roll call was answered by 11 members. Welfare convener Mrs. Marshall gave a report which stated she had given gifts to cheer the sick and shut-ins at Christmas.

During the reading of the correspondence many thank you notes were read to show the appreciation of those receiving same.

Mrs. Jamieson was appointed to attend the officers' conference at the University of Waterloo in May. Mrs. Reta Shortill convener for family and consumer affairs, had charge of the program. Current events were given by Mrs. Smith. Mrs. R. B. Kirkwood had the motto "homemaking is not dull it is your attitude that makes it dull". It was given in a most interesting way and made the group feel their work was more important as they had to go home to prepare supper for husbands and families. Several conveners gave two-minute reports.

Mrs. Archie McEnery commented that it was the 68th anniversary of the 1st meeting of the Ballinafad W.I. formed in 1906. It disbanded in 1921. The present branch was organized in 1952.

Several articles were on display and passed around for all to see, made by the 4-H homemaking club. The new club will be "the cereal shelf." Mrs. Shortill assisted the hostess in serving lunch and a social time followed.

There is to be a Community Centre dance the last Saturday in January followed by the annual hall meeting at the community centre on Sunday afternoon, January 27, at 2.30 p.m.

The cub pack is now meeting again at 7 p.m. on Monday evenings in the community centre after a two week Christmas break.

The cub pack is going to the Ice Follies in Toronto on Jan. 28. They will leave the Ballinafad hall at 12.00 on that date and be provided with a hamburger supper after the show. It is requested that the boys wear uniforms. This month red six was the winner in the pack points contest. Ricky Ingles, Greg Hancock and Nigel Doble accompanied Akela to the Acton Bowling Lanes where three active rounds were enjoyed by all.

The cub pack sponsor group is holding the second of their annual dances on Saturday, January 19 at 9 p.m. in the community centre. The theme of this dance is a "winter carnival". Friends and parents of the cubs are again requested to support this fund raising venture by buying tickets.

—Winifred Smith

**FUR EXPORTED**  
The amount of fur exported from Yukon increased in 1972 25 per cent over the year previous. The value of Yukon raw fur marketed through the Ontario Trappers Association Fur Sales Service in 1972 amounted to \$195,637. Animals trapped in Yukon include beaver, fisher, lynx, fox, marten, wild mink, muskrat, wolverine, otter, weasel and squirrel.

Feeding A Sick Child  
By IDA BURNS  
A&P CONSULTANT  
IDA BURNS

The world can seem very boring to a child recovering in bed from a winter-time cold or flu.

Brighten his day and delight him with a cheery tray full of light foods to tempt a lagging appetite. Since he can't have his friends in, invite his favourite stuffed animal to lunch. Include a little treat like a colouring book or puzzle.

Colourful, unbreakable dishes hold soup, sandwich and drink. A clear soup, like Consomme or Chicken Noodle, appeals to most convalescents.

Cut the crust off Jane Parker French Bread to make round sandwiches, and decorate the top with a "happy face" made with pickles, etc. Add a crunch to the lunch with carrot and celery sticks. For dessert, try serving a bowl of lightly sweetened fruit with a box of animal crackers.

If you find yourself running back and forth with cold drinks to soothe a sore throat, why not try keeping a vacuum bottle filled with lemonade or orange juice by your child's bed. Then he can help himself to a drink as he wants one.

It takes so little time to prepare a nutritious, imaginative lunch for sick kiddies, and you get your reward when you see the smiling faces that say "thank you" better than words.

Let us help you with your food planning problems. Just drop us a line at:
