## Greetings From Branch 120

It is with great pleasure that I take this opportunity of welcoming curlers from all districts of Ontario Command and wish you all an enjoyable stay with us in Georgetown.

A great amount of effort has been put forth by many willing workers from Branch 120 to try to make your visit run as smoothly as possible. Our ladies' auxiliary under the presidency of Jan Emmerson will, I am sure, do their usual fine job on the catering end, Gord Campbell our curling committee chairman is in charge of the various activities and will still find time to curl for the Georgetown rink. How do you fit it all in Gord?

Any problems with regards to accommodation will find a receptive ear from Jake Timpson, billeting chairman, transportation is in care of George South.

We are, from Jan. 1 of this year, part of the new town of Halton Hills and if the co-operation we have received from the town with regards this curling event is any indication I believe we can look forward to a very happy association with the municipality, a special word of thanks to our mayor Tom Hill for his efforts on our behalf.

Co-operation is the name of the game when dealing with our hosts at the curling club, from manager Walter Biehn am sure you will find the staff at North Halton will do their best, as they have always done in the past, to make this event run smoothly.

In closing, I would ask you to bring any problems to the attention of any member of the curling committee or branch executive or myself and we will do our very best to resolve it. May the best team win!
