

GEORGETOWN TAKES TOP HONORS

Georgetown Budokan Judo Club took top honors at the Georgetown Invitational Judo Tournament held Sunday at Georgetown District High School. The Budokans clinched first place with 14 points, with second place going to Guelph with 8 points. West End Toronto, Galt, St. Catharines, Toronto Central 'Y', Bellfountain, Agincourt, and Toronto Budokan also competed in the tourney. (Herald Photo)

Georgetown To Host Four Town Tournament

On Saturday March 2nd, Georgetown is hosting teams from Acton, Orangeville and Streetsville for the annual Four Town Tournament. All minor hockey players and their parents are invited to come to the arena on Saturday and give their support to the boys playing in the tournament. Two of the PeeWee league games that were cancelled on Feb. 16 because of the power failure at the arena have been rescheduled to Sunday March 3rd (see schedule for details). The remaining four cancelled games will be rescheduled as ice time becomes available. Juvenile league players should note the schedule as the time of their game this Saturday has been changed to allow the Midget Four Town team a rest between their tournament championship game and their league game. The Snowmobile Rally was again cancelled on February 23 as there were not sufficient contestants. Much of the course was impassable due to lack of snow and this is believed to be the reason for the poor turnout. Several members of the Snowmobile Club, however, in checking out parts of the course where snow conditions were satisfactory ran their machines on behalf of minor hockey teams and completed in excess of 40 miles. Pledge sheets will be returned to players with a letter of explanation, within the next ten days so they can collect the money pledged. It is expected over \$2,000 will be raised from this project.

SOCCER NOTES

All indications are that soccer registration will hit a record high for the 1974 season. The first day of registration showed a 49 per cent increase in boys' registration over the same time last year. This includes 57 new boys. Girls' registration is up by 25 per cent including 17 new girls. Registration will close Saturday, March 9 after that date boys have to be placed on a waiting list until needed. There are only two Saturdays of registration left. Boys and girls should not wait until the last minute. High school students are reminded that registration forms are available at the high school. If the school failed to announce it over the P.A. system, it is beyond our control, so pick up your forms this week.

Dick Kendrick and Haddy Smedema attended that Halton-Peel meeting last week. Team registration to Halton-Peel of \$50 per team was approved. The association will have to name one of our referees to sit on their discipline board. Halton-Peel will have a junior "B" league for the first time. There are seven entries and possibly as many as nine. Georgetown have committed themselves to enter one team. The first or "A" team will play in the Ontario League.

FALCONS
The Georgetown Falcons playing in the Toronto and District league have their indoor practise every Thursday night at 8 p.m. in the Kennedy school gym. Any player that wants to play senior soccer is invited for a tryout. For further information, please contact 877-8531 or 877-5573.

It is also reported that 95 per cent of our last year coaches and managers will be back to serve our association for another year. Some managers have requested to be placed as a coach this year after gaining experience from the past season. We also registered 35 new association members which proves the growing interest in the game of soccer. Another point of interest is that eight new people have registered to serve as referees for the coming season. One of these people lives in Orangeville and another comes from Brampton. We welcome their interest in our association. A referee clinic for coaches and referees is in the planning for March and April. Please look for more information in your local paper in the near future. A reminder from Fred Kerr to the coaches and managers of our rep teams that all local schools are closed March 16 to 24 and therefore there will be no indoor practices during that period. Equipment manager Joe Vugts reports that this year the representative teams will

DeBoer Movers and Storage

GEORGETOWN / BRAMPTON
877-4106 / 877-9196

Next week marks the first anniversary of DeBoer Movers and Storage operations in Georgetown. No celebrations are planned to celebrate the occasion, just the quiet and dependable service which people have come to expect from DeBoer Movers.

DeBoer Movers operate a North American Van Line franchise, the largest van line in North America and offer complete storage services. They have also added three more trucks to their service.

Manager Dean Souci says he enjoys working in Georgetown and finds the people "very friendly."

"It looks like another good year this year," Mr. Souci said, "we find the business men and citizens of the area to be most co-operative."

Drop in and see Dean and his staff when you're thinking of moving, cartage, or storage. Or just drop in and see him. He'd like to see you.
