

NORTH HALTON CURLING NEWS

by Cynthia and Gord Partridge

The last ladies club bonspiel for the season was held on the weekend when the MacKenzie Trophy was played for. Trophy taker and winner in the second draw was Mary Blehn with Beth Anderson, Ida Mae Woodburn and June Hagerman. Second place in the second draw was won by Fay Brathwaite, Lorna Elliott, Ann Devereaux and Carol Moffat. High one game winner in the second draw was Marion Smeaton, Dot Hamilton, Vi Bradley and Janet McLean. First place winner in the early draw was Doria Zilio with Marion Burns, Sherrill Collins and Norma Carlisle. Finishing second in the early draw was Marion Hogan, Karin Henderson, Jean McCormick and Mary-Ellen Bridge. (This entire team was left handers which I understand form only 10 per cent of all curlers).

High one game winner in the early draw was Bea Embling with Sharon Wood, Joan Mustard and Lynn Cunningham. Thanks go to Joy Noble and her committee for running this fine spiel. The Mens Governor General curling with teams from the district will be played at North Halton on Sunday. Unfortunately no representative is entered from our club but there are 16 rinks representing eight clubs. Due to the Governor Generals, no junior curling will be held on Sunday but the Junior Bonspiel will be held on March 17. The Ladies competitive section finish the year on March 12 when they play for the Renshoime and Sheardown trophies. All lady members are welcome to join the girls for luncheon. If you are interested please check the

bulletin board for details. The last Half and Half Invitational Bonspiel will be held at the club on March 30. There are still a few openings for this event so check the bulletin board in the lounge. Ladies in both golf and curling sections keep Wednesday, April 10 open as the ladies of North Halton are holding a fashion show put on by The T. Eaton Company. They will be supplying all fashions and professional models. Each lady member of North Halton will be asked to come herself and bring one friend. If everyone cooperates we will have a sell-out crowd and we will all benefit from the returns being members of North Halton Golf & Country Club. Many thanks to Peggy and Bill Treahy for submitting the column last week in our absence.

Raiders Eat 'Em Raw Down Adanacs 10-2

The Raiders are hungry. They're so hungry, for another intermediate A hockey title, that they're making mincemeat out of the Oakville Adanacs in a quarter-final playoff. Sunday, the Raiders won their first game this season on Oakville ice, chomping up and digesting the Adanacs 10-2. Tonight, the Raiders meet the Oakville club in Georgetown, and what will probably be the final game of the best-of-five series will be played in Georgetown, Friday evening. Game time both days is 8:30 p.m.

Two Oakville players were missing from the Sunday lineup, and after the drubbing the Adanacs took, Darrell Abbott and Dan Cameron will probably see action Wednesday and Friday. Each club can dress only 17 players, including two goaltenders, and the Adanacs can be expected to undergo some shakeup to improve their playoff performance. Shots on goal said a lot about

the game, and the playing power of the Raiders, who seem to have acquired a tiger in their tank in the past three weeks. Keith Pallett of the Raiders said upon to handle 26 shots, while MacDonald faced 46. The Raiders kept up so much pressure that they didn't even mind being shorthanded, and twice in the game managed to score goals while playing penalized.

OFF SIDES
There wasn't much of a crowd for the opening game of the series. Fewer than 500 persons were in the Oakville arena for the game, and about one-third of those attending were from Georgetown. That's Performance was the sign that was unfurled behind the Georgetown bench following the eighth goal for the Raiders.

Left Winger Has Broken Legs
A fine left winger for Nell's Music Centre, Lance Adams suffered two broken legs in a skiing accident recently. We wish Lance a speedy recovery.
