#### MINOR HOCKEY SCHEDULE

Only three games will be played in the Georgetown and District Minor Hockey Association during the next week as the International Bantam Tournament will be making use of the regular ice time at the arena. The three games will be the Midget League which plays Sunday mornings in Acton. Rally pledge sheets were returned to players during the past week. They are reminded to collect the pledges and bring the money to Cedarvale Recreation Centre on Saturday, March 16, between 10 a.m. and 1 p.m.  
If anyone has a rally pledge sheet in their possession which has not been certified, or if they turned in a pledge sheet but have not received it back, they should advise Don Johnston at 877-1836 at once.

**MIDGET LEAGUE**  
Sunday, March 17, 1974 (Acton)

### Notice of Public Meetings

#### Bradley-Georgetown Transmission Line Routes

##### The Study Continues

Over the past year Ontario Hydro has conducted an environmental study to identify the most acceptable alternative locations for each of two transmission line rights-of-way between Bradley Junction and the Guelph-Georgetown area. These rights-of-way are required to accommodate part of the planned province-wide 500,000 volt bulk transmission system as well as associated 230,000 volt rights-of-way in the Kitchener-Waterloo-Guelph area.

##### The First Phase

The first phase of the study was devoted to assembling basic data about the study area from maps, statistics, etc. in order to establish possible corridors for the transmission lines.

##### The Second Phase

To determine the views of the community about the alternative corridors, public meetings were held in October in the study area. Since that time the project team has established a possible right-of-way within each corridor.

##### Now The Third Phase

To obtain the views of the community about the rights-of-way a series of public meetings has been arranged. These are listed below. There is a meeting for your area and you are invited to attend.

Maps showing the location of the right-of-way within each corridor will be on display from 7:00 p.m. on the evening of the meeting. Hydro representatives will also be available at that time to discuss the rights-of-way with you.

Additional information including a map showing the alternative rights-of-way can be obtained by writing to:

Ontario Hydro, Room H-1242, 620 University Avenue  
Toronto, Ontario M5G 1X6.
