

NORVAL NEWS

The First Norval Land Rangers held a film day for the children of the district on Wednesday, March 20, in Norval United Church from 10 a.m. to 2:30 p.m. to give the children something to do during their holidays. About 90 children of all ages showed up and the Rangers had quite a day entertaining them. The Rangers dressed as clowns and as little girls, played games and led in singing between films. The fee of seventy-five cents which the Rangers charged for the day included hot dogs, pop corn and pop. Two hundred hot dogs, a large quantity of pop corn, and the pop supply soon disappeared but the Rangers were happy to have raised some funds towards a camping weekend they are planning for May 24th weekend. They appreciated the assistance of Rev. R. Walter Ridley, Ranger leaders Ginny DeSylva and Julie Pomeroy say they never would have made it through the day without his capable help.

During the holiday break from school the Norval Rangers also were busy conducting the campaign for funds for the Red Cross in the Norval area.

It is good to see these young girls doing their bit for the benefit of the community and learning how to be a good citizen.

A few who have enjoyed holidays recently were - Mrs. Marion Reed in Florida for six weeks; Mr. and Mrs. Norman Guthrie in Acapulco, Mexico, for a week; Mr. and Mrs. John Dunlop and Mr. and Mrs. Carl Laidlaw spent the school holiday break at Myrtle Beach, S. Carolina; and Randy

Fendley spent a weekend recently at Erieau on Lake Erie attending the Anglican Church Niagara leadership conference.

Several high school students from Streetsville High School and from Georgetown and District High School spent the school holidays on conducted tours of Spain and Rome.

Students from the Norval area who attend Streetsville High School and enjoyed the trip to Spain were Shelly Laidlaw, daughter of Mr. and Mrs. Lloyd Laidlaw; Julie Laidlaw, daughter of Mr. and Mrs. Roy Laidlaw and Wendy Ferri, daughter of Mr. and Mrs. Al Ferri.

Students from Georgetown High School who visited Rome from this area were Helen Dunlop, daughter of Mr. and Mrs. John Dunlop; Debbie Hunter, daughter of Mr. and Mrs. Bill Hunter; and Lorraine Enman, daughter of Mr. and Mrs. A. Enman.

Get well wishes are extended to Ronald Fishburn who was transferred from Georgetown and District Memorial Hospital to Peel Memorial Hospital, Brampton, for an operation on a disk in his back.

Also to Donna Ray Whaley, daughter of Mr. and Mrs. Ray Whaley of RR 2 Norval, who is improving in Brampton Hospital. She has been a patient there since the first of the year.

To Mrs. J. Bianchi of RR 2 Norval, who is a patient in Brampton Hospital; and to Mr. Norman Laidlaw who spent a few days for tests in the Brampton Hospital.

Sympathy is extended to Mrs. Bob Cunningham and the Cunningham family on the death of Bob Cunningham. Funeral services were held at McClure-Jones Funeral Home, Georgetown, on Friday, Mar. 22. Mr. Cunningham was well known in the district having farmed just south of the village

until he retired to Georgetown. Many in the Norval area remember him as delivering the rural mail for several years before he retired.

A car accident at Sauble Beach on Sunday, Mar. 17, that killed a young engaged couple from Georgetown, Sharon Haddock and Ted White, brought sadness to the Fendley family. Gordon Fendley was to have been best man at their wedding in May and Ted was to have been Gordon's best man at his wedding in June. Sympathy is extended to the families and to all those who were close to the young couple.

Unit One of Norval United Church Women met at the home of Mrs. Spencer Wilson on Wednesday afternoon, March 20 with Mrs. Guy Wilson presiding and 11 answering the roll call on "Something to improve our meetings."

The devotional was given by Mrs. Gordon Miller with Mrs. Ed. McLean reading the scripture lesson. Mrs. M. Laird was in charge of the program and she played a cassette tape on the Easter story that was excellent.

Mrs. G. Miller and Mrs. J. Laidlaw assisted the hostess in serving muffins and jam with tea or coffee and a social time was enjoyed.

Norval United Church YPS will conduct the church service on Sunday morning March 31. The service was originally planned for the first of the month but was postponed to the last Sunday of the month.

A construction crew are busy digging a trench and laying pipe along the highway through the village. Last fall they were working between Norval and Georgetown and during the winter they have been working between the village and the 4th line. Many thought that it was a water line but it is a new cable line being laid by Bell Canada between Brampton and Georgetown.

A Letter From A Lady Hockey Mother

Sir: Please allow me again this year to address the good folk of Halton Hills with appreciation and thanks for a successful completion of a week of good fellowship and hockey as the 14th annual International Bantam Hockey Tournament comes to a close and all the young ambassador players and their some not so young supporters return to their homes, once again spreading the word of new and renewed friendship of our town and its people.

As catering supervisor, I was charged with the task of seeing that none of the young men went hungry, a task that would have been impossible if it weren't for the help of many. Some of the most helpful I would like to acknowledge through you, and thank, are the following organizations: Rebeekah Lodge, St. Andrew's U.C.W., Opti-Me, Jayettes, Knox Presbyterian Ladies Auxiliary, Glen Ladies, Lionettes, St. George's Anglican Women, IOOE, Catholic Womens' League, United Church Women, St. John's Ladies Auxiliary, Branch 129, Legion Auxiliary.

The Canadian Legion as always, are to be thanked for the free use of their auditorium, kitchen and appliances as well as the men who so kindly helped out now and then, this also applies to the Oddfellows for the use of their hall, kitchen, etc., on the opening and closing days of the tournament.

If you will allow me, I would extend a special thanks to the high school girls who gave up their holiday to wait on tables, and otherwise help in the operation. They are Debbie Peacock, Pam Proudfoot, Evaughn Moffat, Ellen Crawford, Kelly Mieczanec, Laura Russell, Carol Russell, Lori Draper, Lynn Scarborough, Wendy Hardman, Marie Milne, Laura Sanderson.

A final thanks to the International Bantam Hockey Association for their gift of flowers for the commemorative plaque given to me by the above high school girls, and Mrs. Curtis for her lovely gift.

This is my 10th year with IBHT and my biggest job has been to fully express my appreciation to everyone for their help and loyalty over the years.

See you all next year.

Jessie Hayes,
Catering Supervisor,
International Bantam Hockey Tournament.
