

## Sheridan College To Present Two 10-Week Sailing Courses

Sheridan College will present two 10-week sailing courses - one at the Oakville campus, starting April 16, and one at the Port Credit Yacht Club starting April 18.

The courses are being given in co-operation with the respective Oakville and Mississauga Yacht Squads.

Both sailing courses deal with the basics of sailing and will be taught by Id Crook, past commodore with the Oakville Yacht Squadron. During the first five weeks classroom instruction will concern the different sailing crafts, sail types and basic sailing positions, terminology and seamanship, boat care and tuning, safety and navigation rules.

The last five weeks will be spent sailing on the water with qualified Yacht Squadron instructors at the Oakville Yacht Squadron (for the April 16 course) and the Port Credit Yacht Club (for the April 18 course).

Both courses will be held in the evening from 7 to 10 p.m. at a cost of \$35 for the 10 sessions.

### CLERGY COMMENT

## FORTY HOUR FAMINE BEGINS NEXT WEEK

By Rev. Howard Smith  
Norval and Union Presbyterian Church

More than 17,200 children of the world will die of malnutrition in the next 40 hours. Hence the title - "Project 17,200+."

Project 17,200+ is a planned famine campaign, sponsored by World Vision of Canada. To quote from World Vision's official magazine, "Heartline": "For 40 hours this Easter at least 2,000 Canadians will find out voluntarily what it is like to enter the early stages of starvation." Most participants will begin their 40 hour famine period at 8:00 p.m., Thursday evening, April 11, until 12:00 noon, Saturday. During that time participants will take only liquids such as tea, coffee, pop, juice, or water. Young and old can participate without ill effects.

Each participant is asked to obtain sufficient sponsors for a total of \$4.00 per hour, or \$160.00 in total. Those participants who are able to raise \$160.00 will be given the choice of using these funds for the personal sponsorship of a needy child throughout the next 12 month period, or simply to forward the money to World Vision for use in the overall famine relief program.

Most of us have read and heard of the tragic famine in the Sahel belt of Africa (Sahel is Arabic for "fringe", meaning the border of the Sahara desert). Some 15 million people in the six countries bordering the Sahara were directly affected by the 5 year drought which brought severe famine this year. Thousands upon thousands of people have died, besides hundreds of thousands of their animals.

Last year over 6,000 people, young and old, participants and supporters; entered the 40 hour planned famine together raised over \$50,000 to alleviate desperate emergencies in India, Africa, and Indonesia.

"With the growing number of horrifying stories coming from Africa, particularly of the number of children dying from starvation and malnutrition, we at World Vision feel that there was never a more vital time than in 1974 to show that Canadians really care about such needs."

Perhaps you would like to be involved in Project 17,200+. It is still not too late to become involved as a participant and to ask for sponsors. Perhaps you would like to help sponsor this project. No matter how small your contribution, you can be assured that it will be used to help save the life of some child.

Although I am not the Chairman for this area, if you are interested I would be glad to give you the information for the participant or the sponsor. The area Chairman is Mr. Lang Gehman, Brampton - 451-0709. My phone number is 877-7851.

"The world doesn't need more rich people. It doesn't need more powerful people. It desperately needs more people who care."

## Acton Ball Registration Shows Poor Results

After two days of registration, the Acton Minor Softball Association is not pleased with the results.

A spokesman for the group noted that for minor boys, peewees, squirts, and T-ball, the response was good and for girls, it was terrific.

However, he noted that the older boys were not registering.

"We have only two or three boys for bantam, one for midget and one for juvenile," the spokesman said. "If we don't have enough players, we won't be able to enter the county leagues. The kids usually show up at the first practise, but we have to organize now."

The spokesman believed part of the problem was the emphasis in Acton was on softball this year. "We've always played hardball before, and I guess I'll take a while before the older kids want to try it."

There is also a great need for more coaches, managers and other volunteers. "We could always use extra help," said the spokesman. "Then again, if we don't get the players, we won't need the help."

MOVEMENT  
An unconscious person or severely injured person should only be moved if he is in danger from traffic, fire or some other hazard. St. John Ambulance suggests.
