**Ask Subsidy For Fencing**

The Works Committee of the town of Halton Hills decided on Monday night to notify the residents of Acton Meadows, Acton, of Mrs. J. R. Knechtel's request for a subsidy to pay half the cost for a fence she has put up at the back of her property which borders on town council land.

As Coun. Joe Hurst pointed out, "we have no alternative. I feel we have to pay half." Coun. Ern Hyde, however, wanted to know, "how the other five adjoining tenants feel. Until we know, we're not obligated to do a thing."

The motion put forward by Coun. Hyde that "the committee will not subsidize the fence until we know of the feelings of the other tenants, and that those feelings are uniform with those Mrs. Knechtel", was defeated.

However, another motion, for the re-imbursment for half of the cost of the fence that is

already up, was passed. The chief concern expressed by Coun. Hyde was that the putting up of one fence to prevent children from crossing the tenants' property to get to the town council property, would be useless all the other tenants agreed to put up similar fences.
