## Easter Eggs Are Subject Of Big Hunt

The Easter bunny came a bit early for 24 children from Maple Nursery School. The children were the guests of Mrs. Linda Pabst, 8th Line, Ballinafad. They enjoyed an Easter egg hunt, they played games, they enjoyed special Easter treats, and best of all, they got to meet a couple of real live bunnies. There were more than 200 eggs hidden on the Pabst property, and the children accounted for most of them. Eggs collected were placed in a decorated basket for distribution to the children at the end of the afternoon.
