## Halton Hills Sports

By Steve Wall

I received a letter this week from Sid Harris, the president of the Georgetown Tennis Club. He expressed disappointment that in my first column I had failed to mention tennis as one of the sport's activities. I now make my apologies for the oversight and as recompense promise to cover as much of the tennis club's activities this summer as possible.

I had no idea that tennis was as popular in Georgetown as Mr. Harris said it was. Since so many people obviously enjoy the sport, it seems a shame that there aren't more facilities for tennis players in Georgetown.

I only hope town council doesn't turn a deaf ear to the justified proposals Mr. Harris and others have presented to the council for new facilities.

**CHARITY WALK**  
It was nice to see so many people turn out on a sunny Saturday morning to take part in the Walk for World Relief. The kids all enjoyed themselves, even though a few got lost, and the organizers managed bravely to keep everything under control. Congratulations to Mark Rush of 4 Princess Anne Drive, Georgetown, who was the first to finish the course from Georgetown. Mark left at 6:30 a.m. and by 11:40 was able to go home.

He ran all the way to Brampton and then walked back to Georgetown.

All of which is a lot better than the Herald staff managed. Both I and my comrade failed miserably; the only distinction I achieved was to get my car stuck in a ditch in Norval. Fortunately the walkers were at hand to help me out and save me a massive bill for a tow truck.

However, I was able at least to lend support for those from Brampton who collapsed on the grassy banks of Holy Cross Church, by taking them back to their homes in Brampton.

**SPORT SHORTS**  
Wednesday night the Lions Club will challenge the Optimists Club to a friendly game of baseball at George Kennedy Public School on Weber Drive at 6:30. Admission is free and a good time is guaranteed for all.

This coming Saturday the soccer season kicks off with Mayor Tom Hill performing the opening day ceremonies. Haddy Smedema's column carries more details.

Finally, for everyone who follows high school sports, Geoff Job will be writing a column dealing specifically with high school sport activity, starting next week.
