

GO HORSEPOWER ON THE GO

There's a lot of railroad horsepower on the go here, as three diesel locomotives of the GO fleet prepare to depart Georgetown station for the evening run into Toronto. The units are returned at the end of the day, and return the following morning for the commuter operation. The blue and white color scheme on these locomotives will be supplanted by a new green and white design at subsequent

ALLEYWAYS
By Chris Burke

This weekend will be a busy time for many Youth Bowlers as they participate, collectively, in three separate tournaments. Two teams of six bowlers will be travelling to Sportman's Lanes in Hamilton on Saturday where Georgetown Bowl will be defending its Ontario All Group Championship. Georgetown has captured this event for the past two years and hope to make it three in a row. In doing so, Georgetown would keep the All Group trophy for good. Both teams look strong and may end up battling between themselves for top honors! Each is composed of one bantam girl and boy, one junior girl and boy, and one senior girl and boy. Coaches are Charlene MacCormack and George Barber.

STAR TOURNEY
Forty-four Georgetown youngsters, 18 years of age and under, will once again compete in the Toronto Star Junior Singles Tournament in Scarborough. Georgetown has always fared well here and we look for more of the same this year.

BURSARY TOURNAMENT
On Sunday Mike Warman, who has just completed his final year of Youth Bowling at Georgetown Bowl, will compete in the Youth Bowling Council Bursary tournament, sponsored by the Bowling Proprietors Association of Ontario (B.P.A.O.) and conducted by the Master Bowlers Association (M.B.A.) to be held at Sportman's Bowl in Guelph, top prize to both male and female champions will be one year's free membership into the tournament division of the Master Bowlers Association for the 1974-75 tour. This includes entry fee into all M.B.A. tournaments and an M.B.A. uniform. A total of 10 games will decide the winners in two five game blocks - one at 10 a.m. and one at 2 p.m.

Good luck to bowlers in all three of these tournaments. We know you will represent us well.

C.N.E. FUND
In order to help boost sales of the light bulb packages for the Canadian National Exhibition tournament fund, the proprietors of Georgetown Bowl have made the following offer to all members of the Youth Bowling Council leagues at Georgetown Bowl. Each package of light bulbs sold at a price of one dollar per pack, will mean one free game of bowling for the salesman. The bulbs may be picked up at Georgetown Bowl. I would urge all parents to please co-operate in this fund. We must sell 51 dozen packs in order to send one team (made up in the same fashion as the All Group teams) to the Canadian National Exhibition to compete in these championships. We have a first rate team to send. All we need is your support.

DOUBLES AND FAMILY TWOSOME TOURNAMENT
Results are still being tabulated. More "family twosome" shifts are scheduled for tonight (Wednesday) and Friday (May 10), both at 7 p.m. See you there!

BANTAM GIRLS
Lisa Brownlee has the high average of 163, followed by Janet Hicks with 161. Beginners were clobbered in every game by Strikes Spares and Misses. Swinging Six out-

DID YOU KNOW?

St. John Ambulance advises that burns should be immersed in cold water to relieve pain. Do not break blisters. Medical attention is imperative for severe burns or minor burns covering a large area.

Acton coach, Robert Pool, revealed his choice of team captain, Bruce Cooksley and the assistants, George Artem and Dell Watson.

He tries to get his friends, such as Goods, Fellowship, Strength, Beauty, Five Wits, Kindred and Discretion to go with him to the grave, but only his Good Deeds will accompany him. The dress rehearsal, held Thursday afternoon, was attended by the Grade 13 English students, who studied the play earlier in the year, and was very well done.

EVERYMAN

The Summoning of Everyman, the famous moral play from the Middle Ages, is the play that the Theatre Arts department entered in the Halton drama competition. In short, the plot involves the summoning of Everyman to appear before God for his final reckoning.

Final Exams Drawing Near, Time To Start Worrying

BY LARRY BROADFIELD

In six weeks, the final exams will be well underway at GDHS. Although they are not compulsory for students with marks above 60 per cent still many students will be writing exams in June.

Now is the time to begin worrying about the coming exams, for those who plan to write. Studying should begin soon, in order to be well prepared. Don't forget, the exams could be the deciding factor between passing and failing.

FORMAL

This year's formal dance promises to be a very special occasion. Although the tickets are \$20 per couple and \$10 for a single, the annual social function should be very exciting, since it will be held at the Constellation Hotel on Dixon Road.

The formal will begin at 8:30 p.m. and go until 1 a.m., with dancing and refreshments. Tickets are still available, but are running out. Formal photos may also be ordered. Tuxedos are not mandatory, but formal wear is required. The function is being held on Friday, May 24.

Girl Guides Guest Speaker

Monday, May 6 Mrs. Marie-Paul Green, a director of consumer affairs, Ottawa group, gave a very interesting and informative talk on food to a group of 40 girl guides and 7 adult leaders. This took place at Georgetown east where the 5th girl guide company meets. Beginning with Canada's "food rules" then on to a story Mrs. Green discussed food values of foods such as vegetables, fruits, milk, eggs, meat, and how nourishing they are for you. The girls participated by asking and answering many questions and realizing the fact that "you are what you eat". Mrs. Green also stressed the importance of eating vegetables and fruits raw rather than cooking them first. The girls learned a number of shopping tips which will prove to be of great value as they grow older and are doing their own shopping.
