## Build New Billiard Hall In Acton

Acton will soon have a new family pool room. The recently closed billiard hall is undergoing a facelift and is expected to re-open next month.

Fresh paint, wall-to-wall carpeting, new pool tables and a snack bar with microwave ovens will make it a place where a man can be proud to bring his wife or a single couple can enjoy an evening together.

Bertan Bigelow, owner and manager is doing most of the renovations himself with the help of a few friends.

Mr. Bigelow enjoys and respects young people and is confident that in return they will respect him and his property. He hopes his new operation will provide a much-needed source of non-structured recreation for the people of Acton.

## SPRING FEVER CARNIVAL

Now that spring is here, the Mountsberg Wildlife Centre has initiated a new program appropriate to the new season. The "Spring Fever Carnival" has begun.

There are trails to follow which lead through the gorgeous spring wildflowers in the Wildflower House, much information is available on our local wildflowers. There are also five types of tea, made from local plants available for purchasing.

This year, there is also a Migration Meander, which is a wagon ride starting from the Wildflower House and following the Mountsberg Reservoir shoreline to the lookout tower. This provides a splendid opportunity to observe the migratory birds.

Part of the "Spring Fever Carnival" involves spring nature films. These begin at noon and are shown every hour.

Bertan Bigelow, owner and manager is doing most of the renovations himself with the help of a few friends.
