SPRING FEVER CARNIVAL

Now that spring is here, the Mountberg Wildlife Centre has initiated a new program appropriate to the new season. The "Spring Fever Carnival" has begun.

There are trails to follow which lead through the gorgeous spring wildflowers. In the Wildflower House, much information is available on our local wildflowers. There are also five types of tea, made from local plants available for purchasing.

This year, there is also a Migration Meander, which is a wagon ride starting from the Wildflower House and following the Mountberg Reservoir shoreline to the lookout tower. This provides a splendid opportunity to observe the migratory birds.

Part of the "Spring Fever Carnival" involves spring nature films. These begin at noon and are shown every hour.
