# North Halton Ladies Day

The opening Ladies' Day for North Halton Golf and Country Club was held on Tuesday, May 7. Group lessons were given by golf pro Don Findlay and his assistant. Nine holes of golf were played and the winners, using the Calloway handicapping system were: Norma Smart, Kyll Gollinski and Eileen Cunningham. Fifty-five members attended the opening dinner and business meeting. Barbara Skinner was elected secretary, to replace Gloria Sinclair who has resigned. Jean Chappell, convener of the penny sale, reminded the members of the annual sale at the club on Wednesday, June 5 and distributed tickets to the members. Eleanor Inglis, captain, outlined the coming golf events for the season. The course is in excellent condition and all that is needed is good weather for a good season.

# Request Delayed

Area council decided last Tuesday night that it would be some time before deciding about a request for \$1,000 for the Georgetown Raiders Hockey Team, Intermediate "A" Ontario Hockey League Champions.

Robert Lane, past president of the club, asked the council members if they could "spring for \$1,000."

"We won the OHA Championship and previously, council agreed to give the club \$1,000 if it needed it to offset travelling expenses for the Canadian Championship," he noted.

Early last month, council agreed to a proposal to award the team \$1,000 to pay off the expenses, if it won the Eastern Canada Championship in Ottawa and had to travel to western Canada for the over-all championship. However, it lost in Ottawa to Embrum from the east coast.

Grace, balance and finesse and only three qualities judges look for in gymnastics competition. Brenda Tost, nine, demonstrates she knows what she's doing on the beam.

# SOCCER NOTES

## Soccer Kicks Off Under Sunshine

By Haddy Smedema

It was a pleasant surprise our first day of soccer, a surprise. After all the rain we had the weather man was good to hold the rain off and give us sunshine long enough to play our first scheduled games and we must say the boys and girls provided us with a day of fine entertainment. As you know we invited our Mayor Mr. Tom Hill to our park for the opening kick-off on both playing fields. We know that Mr. Hill could kick the political ball but what about a soccer ball? The only thing Mr. Hill had in his favor was that our ball is round and will roll with the slightest kick. Well, our Mayor surprised us. The kick made from centre field reached the goal and the goalkeeper was to make sure he did not score. It was an honor to have Mr. Hill with us to do so well in his kicking and witness his first soccer game, ever, as far as the soccer part is concerned it was exciting. In the Squirt Division we saw the only one side score, 6-0. But the only

comment I heard was by the losing side "It is better to lose our first game with 6-0 than to win 6-0" Mr. Martin, the coach of the losers must find it encouraging to hear such a remark. In three occasions the teams playing each other had new coaches two of these games ended up in a tie. The third one was a 1-0 victory for Mr. Hack's team. Charlie Coomber, the new coach of the Junior Girl's was looking for aspirins during the game, but not even a bottle full of those pills would cure his stomach disorder, not until the game was over with a 1-1 tie as a result Charlie became himself again. John Bew on the other side did not make it easier for Charlie with his confidence and calmness. What a relief when the game was over for coach and parents alike. One good thing about a first soccer game, parents and coaches have a whole park to do their pacing. It didn't take long for the parents to get involved either holding their breath,

yelling and jumping up and down, what a day! It is great to see all these kids turning to the parks instead of being left on the street for the summer to come. It is nice to be involved and I hope that the parents keep showing their interests. It can do only good for minor soccer and your own children. # The price of gas just went up again.

## Congratulations, Toyota owners.

### You'll feel the pinch. But not as often.

The bad news you know. Your gasoline dollar has just shrunk. But if you're driving a Toyota, you also know the good news. You already have one of the best defenses against the rising cost of driving: more miles to the gallon.

### Still the best gas mileage of all popular small cars.\*

Make	5	10	15	20	25	30	35
Toyota Corolla 1200	32.5	32.5	32.5	32.5	32.5	32.5	32.5
Datsun 810	29.9	29.9	29.9	29.9	29.9	29.9	29.9
Vauxhall Viva	27.4	27.4	27.4	27.4	27.4	27.4	27.4
Pinto	25.2	25.2	25.2	25.2	25.2	25.2	25.2
Volkswagen (Beetle)	25.2	25.2	25.2	25.2	25.2	25.2	25.2

Better than Datsun. Better than Vega and Pinto. And yes—better than the Beetle.

Surprising? These are some of the test results posted by a U.S.

government body called the Environmental Protection Agency.

And the latest E.P.A. 1974 Gas Mileage Study shows that Toyota's Corolla 1200 averaged 32.5 miles per imperial gallon. The best gas mileage of the 10 most popular small cars in Canada.

### More car per dollar.

Toytas are engineered to give you all the muscle you need. With none of the fat.

It stands to reason. Only a clean and lean engine can deliver 32.5 miles to the gallon.

Yet, what you gain in economical engine performance, you don't lose in styling or comfort. Extras like front disc brakes and fully reclining bucket

seats are standard equipment on all Toyotas.

With all this, our Toyota 1200 is still the lowest priced model of the 10 best selling small cars in Canada.

And that's just the beginning. Toyota also offers you more kinds of small cars than any other manufacturer. 22 models in all.

So there's really no end to economy at your Toyota showroom.

\*Test results of the ten best selling small cars in Canada. Your own mileage may vary depending upon road conditions and the way you drive. †Based on current manufacturers list price.
