SOCCER

House League Scoreboard

SQUIRT DIVISION: Spurs - 1, Boomerangs - 0. A hard fought game and these youngsters did very well, most of the boys played soccer for the first time and both teams were coached by new coaches. This game drew a good crowd as is usually the case in the Squirt division, and was well entertaining. It was Dean Jackson of the Spurs who put the Spurs ahead in the first half of the game that proved to be the winner. The Boomerangs pressed hard in the second half but could not come up with the equalizer. MINOR ATOM DIVISION: Magpies - 2, Tigers - 0. As the score shows this game was a little one-sided. The Magpies displayed superior positional play and were able to cash in on their opportunities six times. Andreas Haek banged in the first hat-trick of the season. Singles went to Geoff Cannon, Jamie Hooker and Brian McQueen. The Tigers had a tendency to bunch up too much causing them to be caught out of position. The goalie of the Tigers was under pressure for most of the game and his excellent play stopped the score from being even higher. MAJOR ATOM DIVISION: Dynamos - 2, Colts - 1. As expected, a very even game. Both teams played good soccer with the Dynamos coming out on top with a two to one victory. It was not until two minutes before the end of the game when Jeff Waterworth scored the winning goal. Rod Schwab of the Dynamos and Frank Madden of the Colts did the other scoring before the climax of the game when Jeff scored the big one. MINOR MOSQUITO DIVISION: Spittfires - 0, Flyers - 4. This game was quite even in the first half until the Flyers got two quick goals late in the half. One was from a free kick, the other from a penalty. Just before the whistle for halftime the Spittfires were awarded a penalty but missed their chance to get on the scoreboard. In the second half Flyers started strongly and added two more goals. The Spittfires did start to play better towards the end of the game but failed to break the Flyers shut-out performance. The Spittfires were playing quite a few new boys and had only one practice prior to the game so they can be counted on for better performances as the season progresses.
