LIMEHOUSE

On the holiday weekend 10 Cubs and Scouts, two leaders and one mother planted 1800 pine trees on the Indusmin property. This is part of the Indusmin rehabilitation program. The Cubs and Scouts held their annual father and son banquet in Limehouse Memorial Hall last week. Everyone enjoyed the casseroles and pies supplied by the mothers. Warren Crawford proposed the toast to the Queen. Guests at the head table included the District Commissioner Gord Douglas, Assistant DC for Cubs Terry Colter, Assistant DC for Scouts Murray Harrison, Constable Dixon for the RCMP and Dick Willis a baseball umpire. Terry Colter spoke for a few minutes on what a 'cub' is and Dick Willis spoke on the philosophy and rules in all sports. One theory Mr. Willis believes strongly in is that if a fight occurs in the game let

them fight it out and then throw the involved players out of the game. Constable Dixon showed slides depicting the last 100 years of the Mounties and then answered questions which could easily have gone on all night. Akela Steve Thompson presented special mugs to leaders Elaine and Dave Hannah for helping during the past year and Elaine Hannah presented Baden Powell badges to Cubs Gord Thompson and Doug Hannah for their achievement in obtaining all five stars. Only seven Cubs and two leaders were able to attend the supper at Blue Springs for the boys who planted trees in April. The boys enjoyed the food, games and songs.

Mesdames Noble, Booth, Brown, Benton, Kirkwood and Anderson attended the W.I. district annual on behalf of Limehouse Branch on May 22.

CONGRATULATIONS
Congratulations to Mrs. Rob Roughley who graduated May 22 with a B. of Applied Sciences in Family Studies from Guelph University.

Society Still Adoption Agency

The Children's Aid Society of Halton region wants to greatly expand its membership in an effort to make more community people aware of CAS programs and goals. At a recent meeting, the society's board of directors expressed concern that there was an increasing public apathy, and in some cases hostility, toward the society. A lack of communication of new society programs and services to the community has been blamed. It is hoped that an increased membership will produce both a corresponding increase in the awareness of society plans as well as an input of community feelings and concerns. According to Dr. G. K. Askwith, CAS executive director, "We're still regarded basically as an adoption agency, whereas most of our work today is with foster parents, older children, protection cases and prevention programs." The Children's Aid Society is an independent organization governed by a board of directors and funded by both the Provincial and Regional governments. It is enfranchised by the Province of Ontario to council and protect the children within the Halton Region. The board is made up of six municipal appointments and 12 members elected by the general membership of the society.

Cable Five Report

Last week on High Quiz the grade 12 teams from houses C and D competed academically for house points. The winners were the team members of house C. Because last Wednesday's High Quiz involved students of grade 12, the questions were more challenging than they have been in past programs. This made for a more exciting and interesting match. Tonight's game should be even more exciting, as a match between teachers and students is scheduled. The questions, needless to say, will have to be both challenging and fair to provide an equal chance for answers by either students or teachers. What a game this promises to be! The children of Georgetown have a treat in store for them Thursday, June 6 when Cable five is presenting a special magic show. A magician is being brought in from a far-off, mysterious place to visit with the children on cable television and to show some of his stupendous feats of magic. He is a real stage magician so there will be much more excitement than with the usual slight-of-hand feats. He will be saving a real live person in THREE parts. How does he do it? Maybe if you watch him very closely you might be able to find out. If the TV set isn't close enough for you, you can be part of our studio audience by contacting the Georgetown Cable Television office. There is limited space in our audience so if you wish to be part of the show, phone, write or visit our office now!

Your family's health is your most important possession.

This is what Ontario is doing to help you protect it.

Most of us get sick or have an accident at one time or another. And left to our own resources, serious illness could often cripple us financially. So the government here in Ontario has developed a plan to provide health care for everybody, any time it's needed. That plan is called Ontario Health Insurance Plan—OHIP. (The "H" stands for "Health," not "Hospital.") The Plan is administered by our Ontario government for us, the people of the province, who pay into it regularly so we can benefit when we need it. How does the Ontario Health Insurance Plan work? Like this: First, you apply for coverage—on a "Group" basis where you work, or you can pick up an application form at any bank, hospital, or OHIP district office. Next, you'll pay modest premiums to

cover yourself and your family towards the time when health care is needed.

People on welfare, students, and others whose incomes fall below a certain level, are eligible for assistance in paying their OHIP premiums. No one is excluded for lack of money, but you must apply for such premium assistance.

Benefits include: physicians' services • standard ward hospital accommodation • X-rays • laboratory tests • drugs required in hospital • operating and delivery rooms • radiotherapy • chiropractic, osteopathic, and chiropractic services • eye examinations • occupational therapy • physiotherapy • speech therapy • nursing and medical care in nursing homes and homes for the aged • Home Care service • ambulance • certain dental surgery. Payments may cover costs entirely or only in part, depending on the nature of the claim.

But remember: Membership in the Ontario Health Insurance Plan is not automatic—you have to apply for it. And be sure to carry your identification card or OHIP number at all times.

If you would like more information, visit any OHIP district office. Or write to:

NOTE TO 1973 BALANCE SHEET SICK LEAVE CREDIT GRATUITY PLAN

Under our Sick Leave Credit Gratuity Plan, an employee, after ten years of service with the Halton County Board of Education, shall be entitled to a retirement gratuity, if the credit in the accumulated sick leave is sufficient. Retirement must be by reason of age or ill health. The amount of retirement gratuity payments that could have been made prior to January 1, 1974 is estimated to be \$140,000, based on normal retirement eligibility factors. No provision has been made in the accounts regarding the Sick Leave Credit Gratuity Plan.

AUDITORS' REPORT

To The Halton County Board of Education We have examined the Balance Sheet of the Halton County Board of Education as at December 31, 1973, the Revenue Fund - Statement of Operations and the Statement of Source and Application of Capital Funds for the year then ended. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these Financial Statements present fairly the financial position of the Board as at December 31, 1973 and the results of its operations and the source and application of its capital funds for the year then ended, in accordance with accounting principles generally accepted for Ontario school boards applied on a basis consistent with that of the preceding year.
