KINSMEN COMMITMENT MET

The end of a three year commitment to Cystic Fibrosis came at the Kinsmen District One Convention held in Niagara Falls, May 17-20. Cheques

were presented at the convention and the total sum of \$101,194.86 represents the total amount raised by Kinsmen and Kinettes from District One. It was also decided at

this Convention to continue this pledge for an additional three years. Georgetown Kinettes turned over a cheque for \$410, the proceeds of their Floral Fantasy by

Fendley held in April. Pictured above from left to right are, Fred and Helen Curtis, Andrea and Kevin Taylor who are the children of a Scarborough Kinsman, and are being treated for C.F. and Marilyn and Bruce Cook.

Check Posted Voters' List To Secure Right To Vote

Do you know for sure if you have a ballot waiting for you in the July 8 general election. Unless you check, you could be deprived of the right to vote. The time to check is now - either on the publicly posted list of voters in your neighborhood, or on the printed copy of the list mailed to each urban elector enumerated last month. If your name is on the list, you are assured of a vote. If it is not on the list, or if there is an error in the listing of your name, address or occupation, it is up to you to do something about it to avoid the risk of losing your vote. Procedures differ between polling divisions in urban areas and rural centres. Those with a

population of less than 5,000 are rural. In rural regions, eligible voters missing from preliminary list of electors should contact the enumerator who prepared the posted list. **CORRECTIONS** - In urban areas, omissions and corrections can be taken care of by calling the returning officer for the electoral district in which you live. The telephone information operator will help you obtain the number of your returning officer. This must be done before June 19 when the period of public sittings begins for the revision of preliminary lists of electors. The urban lists are revised by a revising officer, who is usually the senior district judge, or representative appointed by that judge. If you are an unregistered elector entitled to vote, you may appear before the revising officer (June 19, 20 or 21) and apply to have your name put on the official list of voters. The hours and address where the sittings for revision are held may be obtained from your returning officer. It is also at the top of the printed

preliminary list of voters. If it is inconvenient to appear before the revising officer, you may ask the returning officer to send the two revising agents to your home to obtain the necessary information. **PRELIMINARY LIST** - The preliminary list is a s e m b l e d following enumeration and the statement of changes and additions following revision comprise the official list of electors. Urban residents who name does not appear on that official list will not be allowed to vote. In rural polling divisions, each enumerator revises his or her preliminary list. Applications for changes to that list may be made up to June 19. Unlike urban voters, the unlisted rural voter is able to vote July 8 by being vouched for by a registered elector. If you wish to take advantage of the June 29 or July 1 advance poll for this election, you must be on the official list, whether you are an urban or a rural voter. The advance poll is for any qualified voter, who for any reason, cannot cast their ballot on July 8.

DON'T CROWD
Overcrowding a boat is asking for an accident. Make two trips in safety. Always check the weather before you set out in a boat. If there are storm warnings don't take a chance. Keep in the swim with Red Cross Water Safety.

OUR VOLVO 144 SUITS FIVE. VERY COMFORTABLY.

With five people up front, there's plenty of room for their luggage in back. Six two-suiters are packed so that to pull one out, all you do is pull one out. And if you get a flat, you don't have to unload everything. The spare is conveniently located off to one side. We're your local Volvo dealer. We're also easy to get to.

Local Leos On Loose

The Leo's of Georgetown are again on the hustle as they attend more charter anniversaries, help the Lions Club, and still manage to plan their own events. It's a tight schedule but there have been no major problems in attending. Every year Leos celebrate the beginning of an official Leo Club of Canada. On this an-

iversary Leos throughout a local area get together to join in the celebration. Two weeks ago our Leo Club attended a get-together at Collingwood and then another charter anniversary at Niagara Falls last week. Both evenings were very enjoyable and we would like to extend our thanks to all those involved in making each a success. Last Saturday the Lion's Club of Georgetown had their annual beer garden. With several helping hands, the Leos pitched in their efforts towards bet-

terment of the club. Not only was the evening a total sellout but we felt privileged to have worked with the Lions for that evening. Our new president is John

Lindsay, vice-president Debbie Dunn, secretary Steve Rutledge, treasurer Ken Powers, tall-twister Steve Harlow. The tall-twister is a person who collects dues every

week, fines for being late etc. We are all hoping that these people can do as good a job as last years executive.
