

Named Jaycette Of The Year

Mrs. Sharon Atkinson became Jaycette of the Year when, on June 13 the Jaycettes held their annual meeting and award night. Jaycette of the Year is an award given every year in the form of a sterling silver locket.

Mrs. Atkinson, who has been a Jaycette for 6 years, has received many other merit awards from the club. Her position with the Jaycettes is one of regional chairman for outstanding unity competition and outstanding Jaycette on a regional level.

The locket which Mrs. Atkinson received as Jaycette of the Year is engraved "Jaycette of the Year, Sharon Atkinson, 1973-74."

Sub Shop Offers Fast-Food Takeout

A new fast-food carry out restaurant has opened under the direction of manager Terry Chernish, a professional restaurateur who has developed his business of serving submarine sandwiches into a scientific art. It is located on Mill Street in Georgetown.

The sub shop's perfection is due to the experience Mr. Chernish has gained from operating his first store in Guelph where steady repeat customers have turned the enterprise into a highly successful venture.

After initial problems in Georgetown with deliveries and deadlines, the sub shop is open complete with delivery and catering service and late night hours to attract the midnight crowd.

Everything is homemade from salad to cole slaw to the secret Italian salad dressing whose recipe cost Mr. Chernish \$1000. The special oil dressing

Mother, Daughter Banquet Closes Guides, Brownies

A pot luck mother and daughter banquet was held by the Norval brownies and guides in Norval Presbyterian Church recently. It was planned by the auxiliary with Mrs. Zutta Pettigill as president.

During the evening Brown Owl, Mrs. Barbara Neuman, was presented with two pieces of Blue Mountain pottery, one of them an owl, as she is leaving the Norval group and will be the leader of a Brownie pack at Pineview in the fall. Mrs. Dianne Taylor and Mrs. Shirley Johnson will be the new leaders of the Norval Brownies in the fall.

Women

THE HERALD, Wednesday, July 3, 1974 - Page 13

The bus left Norval about 9 a.m. and the brownies spent the day taking in the exhibits at the Science Centre. They ate their lunch in the cafeteria there. They returned to the farm of Mr. and Mrs. Mitch Hunter about 5 p.m. where a supper of hot dogs, freshly picked berries, and ice cream was served after which Randy Fendley joined them for a singsong with his guitar and the day ended with a ride on a hay wagon around the farm.

The Norval brownies hope that you will continue to save your empty bottles during the summer for their glass collection in the fall. This project helps to finance the group and at the same time helps in the fight against pollution.

Prizes on the tally cards were won by Miss Eileen Jackson, who won a green cushion; Clare Wilson, who won a baseball glove; V. Sinclair, who won a salt and pepper shaker; Leda McCartney who won a green bun basket; Eva Presswood who won a Yardley soap. Ash tray was won by Harold Smellie; Donald Douglas won the tool set; Edna Ball won the round tray; VI Preston won the mitts. Mildred Mason, won the toilet paper doll. The little brush was won by Mrs. Violet Nix; the pink cushion was given to Mr. Nix.

Following prizes, a lunch of strawberries and cake, coffee and tea was served. The men helped out with washing the dishes.

Birthday greetings are extended to Roy Ellis who will celebrate his birthday July 7.

Anniversary greetings are extended to Mr. and Mrs. Samuel Sammit, who will celebrate their wedding anniversary on July 9.

—Mrs. Jim Hamilton

VACATION
JULY 28 - AUGUST 12 7-10

Ticket Sales For Festival

Ticket sales for the Summer School and Festival of the Arts, to be presented between July 8 and Aug. 18 at Sheridan College are at the following authorized ticket outlets only: booth in the foreground of Sheridan's South Campus, Lakeshore Rd.; Oakville, main Campus, Trafalgar Rd., Oakville; and Gairloch Gardens, Lakeshore R.D. E., Oakville.

The public is advised not to purchase tickets from any other vendors, private or otherwise. All tickets purchased from the three authorized outlets must possess a certain stamp that will be affixed at the time of purchase. Only marked tickets will be admissible to festival events.

GLT Acquires \$800 Grant

Ontario Arts Council and Theatre Ontario announced a grant of \$800 to Georgetown Little Theatre.

The group will use the grant for professional production assistance toward its first production of the 1974-75 season, Boeving, Boeving.

The grant is one of 49 such professional training grants totalling \$47,305 for 1974-75.

Ontario Arts Council program was established to enable community theatres to employ professionals in various aspects of theatre for a limited time, primarily in an educational capacity. The grants are administered by Theatre Ontario.

HORNBY

Belated greetings are extended to Mrs. Arthur Plant who celebrated her birthday on July 1.

The Brownies ended their activities for the season with a bus trip to the Ontario Science Centre in Toronto last Tuesday. Twenty-three brownies and their leaders made the trip. Mrs. Barb Neuman and Mrs. Dianne Taylor were assisted by Mrs. Rita Deenik and Lenor Neuman in looking after the group for the very enjoyable day.

HORNBY

There are 42 badges which can be won in brownies, and Diane has made a busy start. But her mother has trouble finding a spot to sew on the badges she has won so far in her first year.

Dog 'N Suds Drive-In

185 Guelph St. 877-7121

THE MAIN REASON for the continuing success of Dog 'N Suds is, according to its manager Ed Browne, the good service that is provided by this Guelph Street drive-in. It goes without saying that the reason for this good service is that the right people are hired and the right training provided. The length of service of the Dog 'N Suds' employees varies from five years to one week. If you want to apply for a job here there is no worry about not having experience because there is none required. The only requirement is that you must like people, get along with them, and be able to serve their needs. There is no way that the people can find out absolutely if a prospective employee will fit in at Dog 'N Suds so everyone is given the benefit of the doubt. The prospective employee has the ultimate decision as to whether or not he or she will work at Dog 'N Suds and then the on the job training will start. So if you are looking for a job take a look at Dog 'N Suds.

Barber And Henley Ltd.

33 Main St. S. 877-2214

CANADA IS a land with many inland waterways but up until this year there have been surprisingly few commercial cruises on these rivers and lakes. This situation has been changed by the six day Great Lakes cruise that starts in Montreal and goes to Chicago. The great advantage of a cruise is that you can have the benefit of shipboard life without the rough waters of an ocean. The ship to be used on this cruise is the 'Stella Maris' which is a cruise ship the whole year round, being used in the Mediterranean during the winter months. Here again we have the situation where the facilities are not sufficient to meet the demand during the peak season. As a result the people at Barber and Henley would like to suggest that you book for 1975 right away. Who knows, you might be lucky and have a cancellation when you want to take the cruise. There are also cruises available on a Russian ship along the St. Lawrence and the Sagueny Rivers in Quebec. If it is a ship cruise that you are looking for go and talk to the people at Barber and Henley.

Market Place Optical

Streetsville 826-5292

THIS FIRM is a multi-store firm with stores in Streetsville, Georgetown, as well as two stores in Mississauga. They are expanding greatly and intend to open another store in a month or so. Some of the features that you will find at any of these stores include free adjustments on any glasses purchased in these stores. You can also get contact lenses at any of these stores. There are three types, hard soft and aqua. If you so desire you can get photo-gray or photo-sun put in your new glasses or you can get the old ones tinted. One of the really unusual features is that if you are in a rush for your glasses you can go to the lab in Streetsville and get same day service for your new glasses. If you are looking for new glasses give these people a try.

Georgetown Pools

78 Todd Rd. 877-8072

REMEMBER THAT service plan that I mentioned a few weeks ago. Well negotiations are still going on. That doesn't mean that the pool builders are getting ready to throw out the plan just that it is such a new concept for these businesses that it needs careful consideration. Progress is being made in this area but that is just about the only area in which the pool builders are making progress. It has just been too wet for much work to be done on a pool. If you have every been around a construction sight you know how much havoc can be created by adverse weather. Mr. Heisler, the owner of Georgetown Pools has a word of warning to give to those people that are considering purchasing a pool. That word is to place your order now because there will be a shortage of material come August. So place your order now so that the materials can be ordered.

Ryder's TV Sales & Service

35 Main St. S. 877-9796

ONE OF the features that most people look for when they are in the market for a TV or stereo equipment is the warranty. At Ryder's you will find out about an aspect of warranties that you probably suspected as existing but were unable to pin-point. What I refer to is the fine print. This is ultimately too confusing for most people and they are content to concern themselves with the length of the warranty. Mr. Ryder's version of a good warranty is one that covers a suitable length of time but which also assures expert service. This is especially true if the customers move. The difference between a good warranty and an excellent one can be as small as one word. For example if you need a new picture tube and your TV is still under warranty, how many companies guarantee in writing that you will receive a NEW picture tube in exchange. A subtle but very important difference. That is where the fine print comes in. Magnavox TV, which you will find at Ryder's does guarantee things like this in writing. Go to Ryder's for your next TV and forget about your fine print worries.

John Boughton Jeweller

73 Main St. S. 877-4313

EVERYONE TALKS about originality and being unique and puts these qualities very high on their list of priorities. But how many people when buying wedding and engagement rings consider it necessary to have a custom made ring. It is something to think about and you should do your thinking at John Boughton's. This is the place where you can take a basic design of a ring and change it around to suit your own personal desires. Even if what you want is not practical it can be arranged. You will also receive many helpful hints and suggestions as to what you can do with a ring. Go to Boughton's and describe the ring of your dreams to them and they will do the rest.

Robert Gougeon Home Furnishing

95 Main St. S. 877-2522

THIS DOWNTOWN Georgetown store is more than just a furniture store. Here you will also find the Servicemaster agent for Georgetown. This is a rug cleaning service and it is handled on a referral basis. It goes without saying that if you need your rug cleaned contact Robert Gougeon and he will see that the professionals will do it for you. The selection of carpets that you will find here, and you will find them here, is very good and features Harding and Bigelow products. So when you are in the market for new furniture for the living room or the dining room take a look at the carpets and make your redecorating complete.

Georgetown Chrysler

15 Mountainview Rd. N. 877-5108

THE WOW program that is familiar to a lot of people of Georgetown, especially the women is not a one-shot deal. This is in answer to the requests of a lot of the women drivers in town. This program has been immensely successful but due to the coming of most peoples summer holidays Mike Tarp has decided to postpone the next program until the fall. Again this program will be a free one. There is a large inventory of used cars in Georgetown Chrysler due to the large stock of new cars on hand. This leads to a lot of trade-in deals. The conclusion is obvious and I can't help but wonder if Mike Tarp's neighbors are listening.

Mel's Antiques

Glen Williams 877-4488

FOR THOSE of you who have an interest in refinishing and restoring of old furniture or antique's Mel has a few helpful hints that you may like to heed. The first thing that you should know is that if you intend on stripping the old finish off some piece of furniture you should do it in the summer when you are able to work outside. Mel points out that the fumes from the paint stripper are really wicked. If you have never done this type of thing before then it is best to start with a small table or something like it because it has a lot of straight edges and is not as tedious a job as a chair. You can use either paint stripper, which is very expensive and takes off everything right down to the wood. A substance called methyhydrate can also be used. This is also a toxic compound. The material takes the old finish off gradually and you can be left with the finish that happens over what happens when you are stripping a piece of furniture. Finally the material to use during this procedure is not an old rag but very fine steel wool. Mel has a lot of these hints so don't go away.

Fendley Florists

82 Mill St. 877-3582

FENDLEY'S IS the name that means flowers in Georgetown but there are several other features that you will find at this Mill Street store. These features include a selection of cards that you may want to send with the flowers that you are sending. There is also a gift section in this store. There is an assortment of dried flowers as well as Dutch copper and German ceramic flower pots. These are especially good for the plants that you can obtain from Fendley's. Speaking of these plants, these people have a large selection of large plants that are used for institutional planting, that is planting in lobbies and offices. Drop into Fendley's and check out these interesting features.

BEAT DISHPAN HANDS WITH A SPECTACULAR OLD PRODUCT.

It's called soft water.

It doesn't matter whether you are washing dishes, clothes or taking a bath, everyone appreciates the need for dependable, soft water.

It's not only easier on the skin, but it saves money on soaps and detergents too.

With Boehmers' leasing plan you can benefit from a fully automatic softening unit for only a few pennies a day. Or you can buy a softener outright if you wish. Or you can lease with an option to purchase.

Call us. We'll tell you what size softener you need for continuous soft water.
